Message from District Governor

ROTARY DISTRICT 5690
 "In The Heart Of America"

Sue Pearce

Dear D5690 Rotarians,

January is Rotary Awareness Month

As I was given the privilege to walk alongside the Rotary Float in The Rose Parade on Jan. 1, it really brought home the good work Rotary does in our communities.

This was the 35th year Rotary was invited to join the Rose Parade. The float is not an RI sanctioned event, meaning the float committee receives no grant monies, but must raise donations themselves and promote the event themselves. Again the committee has been doing this for 35 years.

And what a way to promote Rotary and help individuals become aware of Rotary and our good deeds.

For the sum of \$200,000, we reached over 78 Million TV viewers and over 800,000 people who lined Colorado Boulevard in Pasadena, California.

As I would walk the route, people were not more than 3 feet away from me. We were saying "Happy New Year from Rotary" and people would call back to us. Some would say "you gave my children books to read" or "you do such great work in my home town" or "you really made a difference in my life"

If you happened to watch HGTV, you would have heard them talk about our quest to eradicate polio from the face of the earth.

As I sat in the hot tub at the hotel after the parade, soaking my really tired feet, (after all it was 5.2 miles) several young children came up to me and indicated they had seen me in the parade (could have been my pink hair

that gave me away). They even remembered it was the float with the gingerbread. I explained it was the Rotary float and we then had a discussion about Rotary and what service organizations do in the world. Several few more young folks are now aware of Rotary.

I encourage each of you. Wear your Rotary pin, carry a bag with the Rotary emblem, walk in the Rose Parade, or color your hair pink. Awareness is all around us, we just need to talk about Rotary.

Happy New Year fellow Rotarians! May 2014 be prosperous for us all as Rotary gets closer to eradicating polio from the face our earth.

Rotary Wins Airline Miles

Thanks to all of you for your help uniting Rotary and others across the world.

3,368,099 United Air Miles to be awarded to Rotary!!!!

In United's 10 Million Charity Miles Giveaway, Rotary got 3,368,099 airline miles -- or 36.64 percent of the total votes! These miles can be used for about 33 international airline tickets for humanitarian projects. Last year, Rotary got 2.5 million miles in the giveaway.

District Governor Happy Hockey Night

Calling all area Rotary Club Members: Come out for a night of fun and excitement at a Wichita Thunder hockey game. All members will be seated together for a night of on-ice action against arch rival the Allen Americans. The puck drops at 7:05 p.m. on Friday, January 31st at Intrust Bank Arena. RSVP to Rod Kreie: rkreie@gpbiosciences.com by January 24th to secure your seat. Tickets are just \$15 per person.

Rotary Awareness Month

This is the month for us to consider how our Rotary values – and our own actions – influence public perceptions of Rotary. Rotary's strategic plan outlines five core values that define and guide us as we chart a course into our second century of service.

Service is our first value, as it should be. The focus of service is reflected in our primary motto, Service Above Self. We have the potential to create better, safer, and healthier communities, one project at a time.

Fellowship is the reason Rotary was founded over 100 years ago. The friendship, the camaraderie, and the wonderful sense of doing something good together is what keeps us all looking forward to our Rotary meetings week after week.

Diversity is an aspect of Rotary that becomes more important with every passing year.

Integrity is fundamental to the organization's identity. Every Rotarian is a guardian of the reputation that generations of Rotarians have worked to build. When we maintain the highest ethical standards in all of our dealings, we strengthen the trust that allows us to serve more effectively.

Leadership, the fifth, and final, core value. Each of us must remember, with our every action, that we are Rotarians. When we are chosen to become Rotarians, and when we choose to accept that honor, we take it upon ourselves to become representatives of the entire organization.

When we are known as Rotarians, then everything we do reflects upon us all. By living by our core values and committing to Service Above Self, we build a stronger Rotary and a better world for all.

Holiday Greetings from Brazil

MORE News from around the District

Rotary Club of East Wichita: Because of the busy-ness of the holidays and to allow our members time to give their energies to family and other commitments that arise in December, our Club only met twice. We enjoyed a wonderful presentation by Michael Monteferrante from Envision and a wonderful "guided tour" through Alaska via a fantastic slide show by our own members, Don & Karen Norton, who took a 12-week trip there late last summer. Several of our members helped make the holidays brighter for the residents of the Wichita Children's Home by teaming with the WCH staff and helping the residents make Christmas trees and gifts for their loved ones.

We bought them Christmas presents, had a big dinner, Santa Claus came and then the children got a \$50 Alco card to spend. We also held our annual Soup Supper on December 7 in conjunction with the Kingman Christmas Lighted Parade.

Looking for a Global Grant Project?

Is your club looking for an international project ? Do you want to get involved?

Past RI Director, Phil Silvers, a longtime friend of D5690 who has visited our district several times has some offers -- for some rather intriguing Global Grant projects around the world that your club might want to do:

1. Support for **Rotary Family Health Days** in one of six African countries (Ghana, Nigeria, Uganda, Lesotho, Swaziland, and South Africa). Some countries need help with medical equipment and supplies; others want to do a Vocational Training Team (VTT) to increase their health professionals' capacity to serve patients. You can also travel at your own expense, or with a District Grant, to volunteer during the April 2014 Health Days, and engage in some fascinating, inexpensive tourism certainly on your own 'dime.'. Home hosting is a possibility.
2. Support **Clean Drinking Water** for school children in the West Bank, Palestinian Authority. The Ramallah and Bethlehem Rotary clubs are 'hummin,' and will welcome your support. You will be impressed with the vision and the competence of these Rotarians.
3. Projects for **Children and Health Care in the Russian Far East** (D-2225). Talk about an exotic part of the world! And...a part of the world that needs help for its children.
4. Support a Global Grant to bring **a VTT of nurses and doctors from the Philippines**, D-3810, to Uganda to study **how to arrest the rise of HIV/AIDS**, a burgeoning epidemic in the Philippines.

If one or more of these projects sparks your interest, contact Grants Chair [Geri Appel](#). PRID Phil has templates in place for Global Grant proposals, and has a highly respected M and E framework. Geri will put you in contact with Phil and assist you.

2014-2015 Rotary Theme

Incoming district governors enthusiastically greeted the theme for 2014-15, *Light Up Rotary*, during the first plenary of the International Assembly, Rotary's annual training event for future leaders. RI President-elect Gary C.K. Huang (RC Taipei, Taiwan) explained he was inspired by the teachings of Chinese philosopher Confucius who said: "There are so many problems in the world, so many people who need help. Many people say, 'There's nothing I can do.' So they sit there doing nothing. Meanwhile everything stays dark,"

D5690 Governor-elect Martin Bauer attended this training event in preparation for his year leading our district starting on July 1, 2014. [Read more here](#)

A Year of Exciting Achievements

DEAR ROTARIAN,

This past year was one of exciting achievements and forward momentum for Rotary, as highlighted in the [2012-13 Rotary International and The Rotary Foundation Annual Report](http://sites.rotary.org/en/AnnualReport/2012-13/Pages/ridefault.aspx). (<http://sites.rotary.org/en/AnnualReport/2012-13/Pages/ridefault.aspx>)

We launched a bold new chapter in our partnership with the Bill & Melinda Gates Foundation that makes your contributions to the vital polio eradication end game work three times as hard.

We also finished preparing for the global launch of our new grant model, boosting our ability to help more communities secure and sustain a better quality of life. And we carried out our first projects with Mercy Ships, while building on our work with Aga Khan University, UNESCO-IHI, the Rotary Peace Centers, and other partners.

In addition, The Rotary Foundation earned top marks from several independent charity evaluators, including the American Institute of Philanthropy, Charity Navigator, and the Wise Giving Alliance.

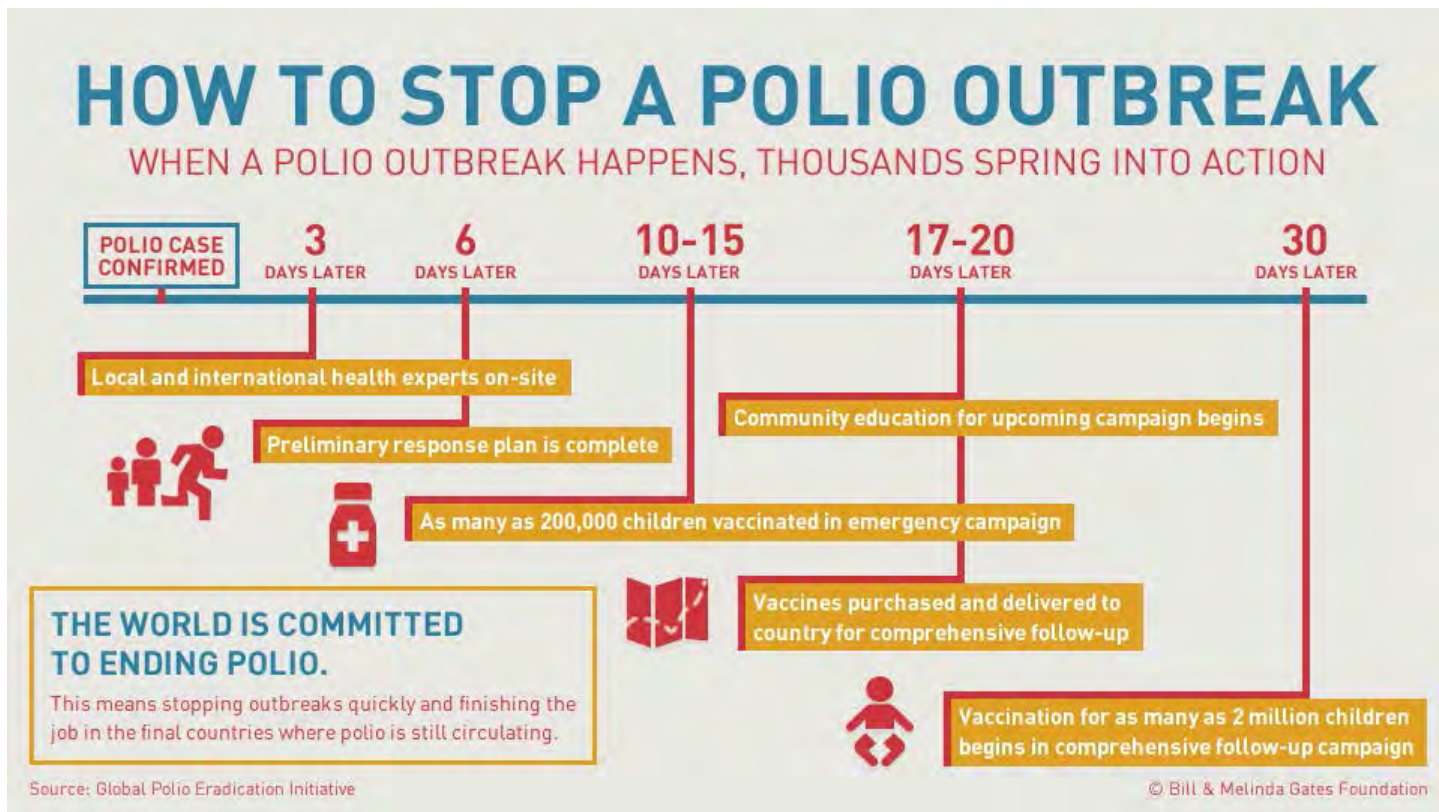

I encourage you to review our annual report carefully, and to share it with others who may be interesting in joining, partnering with, or donating to Rotary. You can order print copies of the report at www.shop.rotary.org. For those who want a more detailed look at Rotary finances, the audited financial statements are [available for download](https://www.rotary.org/en/financials) at <https://www.rotary.org/en/financials>

Thank you for the important role you play in Rotary's work to help meet critical human needs, strengthening the groundwork for a more peaceful world.

Sincerely,

John Hewko, General Secretary

Naturalization is a process by which immigrants not born in the USA become citizens. Renouncing citizenship of one's birth country and becoming a U.S. citizen is one of the most important decisions an immigrant will make. After passing a test, agreeing to accept the responsibilities of U.S. citizenship and pledging to support and defend the U.S. Constitution and laws, citizenship is granted in a moving ceremony. By opening this U.S. District Court proceeding to the public, event sponsors hope to advance an understanding of United States Citizenship and its rights, privileges, and responsibilities, while welcoming our newest fellow citizens.

Seating for new citizens and their families on arena floor / General public seating in main level of west end of arena. Groups of 10 or more are encouraged to register at Patty@WichitaRotary.org, or 262-4375.
