Message from

District Governor Ivanhoe Love, Jr.

Greetings Rotarians

A big thank you to that great Liberal Rotary club (my Home Club) for hosting the passing of the pin ceremony. The ceremony was well done and well received by those from the district that attended and the food was good and plentiful. PDG Fred Heismeyer and his wife Joyce have also expressed their appreciation to the club and all of the attendees. The Liberal club is hosting the district conference 21 through 23 October and is eager to showcase that "Great City Out West" – Liberal, KS. We hope to see you there!

I am off and running, conducting District Governor club visits. What an exciting time to be traveling around the District promoting Rotary International President Jennifer Jones's theme "Imagine Rotary"; encouraging our clubs to increase their membership, to embrace diversity, equity, and inclusion, and to continue our contributions to The Rotary Foundation and PolioPlus.

Thanks to the Rotary Cubs of Guymon, Oberlin, Norton, Atwood, Salina, Beloit, Clay Center, Hutchinson, Lyons, Newton, Eldorado, and Howard. I have been absolutely impressed with what I've seen up to this point. First, let me say that the hospi-

**IMAGINE
ROTARY**

talities and the warm welcomes have been beyond expectation. There seems to be a common thread that is woven through all of our clubs and that is our Rotary clubs are engaged in their communities. Some clubs have several projects ongoing. I saw several great fund raising activities – one such example is the Norton club which raised over \$20,000 in one event with less than 20 members. Rotarians that I have met are committed to Service Above Self. They all recognize the challenges that face us such as decreasing membership and managing the impact of COVID-19. Some of the small clubs are working so hard that they fear burn out on the part of senior members but are determined to meet these challenges. I witnessed a club struggling with a very divisive issue using The Four-Way Test to bring the issue to an acceptable resolution. It reminded me that we are Rotarians and we solve problems. That's why I am convinced that together we will achieve our goal of growing the district and becoming more diversified.

Rotarians, we need to have fun! It's summer and I want to encourage you to engage your clubs in fun activities outdoors. We are working hard in our communities to benefit others. Don't forget we need to take care of ourselves along the way.

Rotary

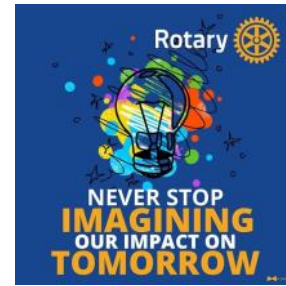

**IMAGINE
ROTARY**

DG Message (cont'd)

My plan is to visit each club in our district at least once and to attend as many of your events as I possibly can. I am looking forward to seeing you soon. Let's Imagine Rotary together!

Ivanhoe Love, Jr.

2022-2023 District Governor
Rotary D5680

D5680 is Growing!

DG Ivanhoe Love, Jr. sent us these photos, saying "District 5680 is growing its membership. Last week I had the pleasure of welcoming 5 new members to the Rotary family in the Arkansas City Rotary club. Yesterday, the Rotary Club of Sterling welcomed 2 new members. Congratulations and welcome to all! Let's continue to Imagine Rotary together."

Sterling +2

D5680 & D3250 (India) Dialysis Project is Complete

PDG Curtis Dick and Rotarian Devendra Jena of the Rotary Club of Jamshedpur (India) are pleased to announce that the dialysis center at St. Joseph's Hospital in Jamshedpur has

been completed. The center is serving economically compromised patients with affordable or free dialysis, as well as promoting awareness on causes of renal failure, proper dietary habits, educating care givers, and improving the quality of life for patients. The project was made possible by a Rotary global grant in the amount of \$30,750.

Our district has enjoyed a long partnership with District 3250, a very poor area that covers two states in the north-east portion of India. Previous matching grants have provided clean drinking water to 48 schools throughout the district, rainwater harvesting at a small village, a transportation bus for children at the Jeevan Jyoti School in Dhanbad for mentally and physically challenged students, toilets and sanitary water for 30 girl schools in the district, and a previous dialysis center in Jamshedpur. The total amount of 7 grants from 2005 - 2022 is \$195,164. Three more global grants are in the application stage that, if approved, will add another \$157,386 to our partnership in the areas of eye care,

another dialysis center, and a mobile blood collection project.

"I am excited that we are continuing our partnership with our friends in District 3250" said PDG Dick. "The needs are great in India and our Rotary partners there have a proven track record of providing needed assistance in so many areas such as water and sanitation, literacy, vocational training for women, medical facilities, and more. It is my hope that we can continue to assist them long into the future."

PDG Dick and PDG Rod Kreie visited District 3250 in April and May, 2008 via a Rotary Foundation Volunteer Service Grant to view previous water projects and to plan partnership projects for the future. "We are pleased and thankful that The Rotary Foundation continues to agree that the needs in District 3250 are real and immediate", said Dick. "I also want to thank District 5680 Rotarians who generously give to the Annual Programs Fund of The Rotary Foundation. Your contributions make a huge difference in the lives of those who have many needs, and you are making the world a better place to live – one project at a time."

RC Colby Presents Certificate of Honor to its Latest Hero

Submitted by DGN Jeff Horlacher (R) following recognition of Andrew Flanagan (L) at the club's meeting on July 26, 2022.

While preparing for the Buffalo Chip tournament at Meadow Lake Golf course, a well-known Colby man collapsed. Fortunately, one of our own Rotarians, Andrew Flanagan, was nearby. He, had recently learned CPR, and was able to provide assistance until the ambulance arrived. It is my understanding that when Andrew started, there was no heartbeat at all. After receiving a quadruple bypass in Hays, all the physicians there agreed that Andrew's efforts were lifesaving.

Although Andrew was not necessarily acting as a Rotarian, he exemplified what it means to be a Rotarian, Andrew was born in 1992; the Rotary International themes were: Look

Beyond Yourself and Real Happiness is Helping Others. Last year our theme was Serve to Change Lives. This year, it is Imagine Rotary.

I doubt Andrew imagined he would be literally saving a life this year. I do not want to embarrass him or create unwanted attention; however, I do want to say Thank You. "You have lived the 2018-2019 theme: Be the Inspiration. You are indeed an inspiration to me, and to all of us in the Colby club and to Rotarians in District 5680, to be prepared, to be people of action and to Lend A Hand (2003-2004) whenever needed. Thank You, Andrew Flanagan."

Rotary Members Aim to Root Out the Global Scourge of Human Trafficking

Of the many global issues, human trafficking (or modern slavery, as it is sometimes called) is one of the toughest to combat. It's estimated that more than 40 million people are trafficked across the world. "It's probably the largest human rights travesty existing today," says Karen Walkowski, founder of the Rotary Club of District 5950 Ending

Human Trafficking. "It's one of the three largest illegal industries, bringing in about \$150 billion in revenue every year." [Read how the Rotary Action Group of Against Slavery](#) and several cause-based clubs are fighting against this crisis.

D5680 Focuses on Diversity, Equity & Inclusion

We need everybody on the dance floor!

"If we get everybody involved and get everybody included, the world will be a better place. The problems, challenges we will overcome as Rotarians are enormous! No one person or no one sect of people can tackle it! We need everybody."

— [Ijeoma Pearl Okoro](#) (she/her), District 9141, Nigeria

Rotary IS Diversity, Equity, and Inclusion (DEI). It is in every one of RI President Jennifer Jones' Presidential Initiatives. It is shown in our Core Values. It is woven into the four way test. It IS our action plan:

TOGETHER we see a world where
PEOPLE unite and take action to
CREATE lasting
CHANGE across the globe, in our communities, and
in ourselves.

Only by uniting, by reaching out to, and welcoming *all* people in our communities can we overcome the challenges that are facing us. Now, more than ever, it is imperative that we open our arms to every group in our communities, welcome those who have different experiences than us, and involve groups that have been historically underrepresented in Rotary.

Embracing unity as key to achieving our strategic mission, Rotary International formalized and adopted its new commitment to Diversity, Equity, and Inclusion in January of 2019. Since then, RI created a DEI Task Force and DEI committees have been popping up in Rotary Districts and Clubs around the world. District 5680 is proud to announce that this year, we are convening our very own District DEI Committee!

First, the committee will work to create a plan with short-term and long-term goals to raise awareness of, give training on, and incorporate DEI in the district. At the district level, we will work to ensure documents, policies, processes, and practices are equitable and inclusive. At the club level, we will work to raise awareness of DEI and provide clubs with the education and resources they need to travel on their DEI journey.

DGE Gloria Homeier recently visited Rotary Headquarters in Evanston, IL and was pleased to see that our gift presented to RI President Jennifer Jones during PETS, was displayed on her desk! At the bottom of the picture are the glass card and pen holders.

To begin our district's DEI journey (and it is a journey), [Tim Howard](#) (he/him), Past President and Secretary of **RC El Dorado**, has been appointed as Chair of the committee. Tim enthusiastically says "I want anyone who is interested in Rotary to feel welcomed and included when they come to a Rotary meeting. I am excited for the new ideas and growth that will come as we progress on our DEI Journey!". Among other qualifications, Tim has over 20 years of experience in traditional and non-traditional education, including 7 years in Japan and over 10 years in the museum field.

We are looking for a diverse group of volunteers to join the DEI committee and for club DEI champions. Everyone has the right to feel valued, respected, and welcomed; and everyone deserves the right to serve. DG Ivanhoe Love, Jr. (he/him), says, "Diversity is the strength of our country. It is what makes Rotary respected worldwide. Rotary embraces all people regardless of race, the color of one's skin, religious beliefs, political orientation, occupation, or sexual orientation. I am hopeful that this committee will assist us in developing a strategy to become more diverse while stressing the necessity of equity and inclusion becoming a way of life a way of life for us all.

"Come join this newly formed committee get in on the ground floor helping to develop something that could impact the lives of many in a positive way throughout our District."

If you are as excited to bring this to District 5680, then you are the person we are looking for!

What can you do?

- Join our newly formed District DEI committee
- Be a DEI Champion in your club
- Start your own DEI efforts and committee in your club
- Check out the amazing materials on the My Rotary Learning Center

If you are interested in joining the DEI committee OR if you already have a DEI committee or champion, please reach out to Tim at thoward.rotary@gmail.com.

Rotary, Lions, Kiwanis, Optimist join for Celebrate Community

Celebrate Community, a joint initiative of the four major volunteer service organizations, focuses on local community service during the week of September 11 – 17.

Rotary International, Kiwanis International, Lions Clubs International, and Optimist International – have collaborated in the past to champion the cause of service in communities around the world. This annual joint public effort encourages clubs to reach out to one another to work together on projects that improve and benefit local communities.

“All of our organizations serve our communities to change lives. We must ensure that our various clubs identify a local need and work together to provide the service to fulfill that need,” said Shekhar Mehta, Immediate Past President, Rotary International.

“We have so many common goals and objectives,” said Peter Mancuso, 2021-22 Kiwanis International president. “The Celebrate Community initiative is one way to join together to work on a project that will have a measurable impact on communities around the world.”

Clubs within D5680 are strongly encouraged to work together on projects such as health and wellness, food inse-

curity and hunger, education and literacy and environmental projects. Efforts could include community cleanups, food donations and distributions, walks or runs to raise money for specific causes, and collecting books to help children build personal libraries.

Our clubs are also encouraged to include the

youth-oriented programs of each of the four major organizations (Interact, K-club, etc.) in its efforts.

Club leadership, please identify a club champion who is willing to reach out to the leadership of other service organizations in your community and see if they are interested in coordinating an effort with Rotary. If your community does not have a Lions, Kiwanis or Optimist club, search out other service-oriented groups in which you may want to partner. This is a great opportunity to increase your club's public image throughout the community, potentially bring in new members, and further meet our goals of Imagining Rotary and Doing Good.

We will want to hear about the success of your joint efforts, so plan to take pictures and write a short story for your community's newspaper, as well as for our district newsletter, Facebook page, and/or webpage.

2022-23 Presidential Initiatives

RI President Jennifer Jones imagines a Rotary where members act to make their dreams reality and to get the most out of their club experiences. This year, Jones will focus on four presidential initiatives that Imagine Rotary: advancing our [commitment](#) to diversity, equity, and inclusion (DEI); creating a welcoming club experience; empowering girls; and expanding our reach. You can join Jones in building a strong future for Rotary by learning more about each of her initiatives.

members. Listen to your members to understand why they joined Rotary and what they expect and want from their experience. [Watch a message from Jones about creating a welcoming club experience](#) and take the [Creating an Inclusive Club Culture](#) course in the Learning Center.

- **Imagine Empowering Girls** Jones will continue the initiative of 2021-22 RI President Shekhar Mehta to encourage members to improve the health, well-being, education, and economic security of girls. Share your club's projects on Rotary Showcase.

Imagine DEI In 2021, Rotary strengthened its commitment to diversity, equity, and inclusion in order to celebrate each person's contributions, advance equity, and create an inclusive culture where every member and participant knows they are valued. [Watch a message from Jones about imagining DEI, find inspiration](#) to ensure that your club or district creates a collaborative, positive, and inclusive environment for everyone, and take action on DEI issues in your club, district, and community.

Imagine Comfort and Care Making people feel included and welcomed is the most powerful way we can engage

Imagine Expanding Rotary's Reach Over the coming year, Jones will visit eight service projects, each one representing polio eradication or one of Rotary's areas of focus. The tour will provide examples of how Rotary can make a measurable difference, while also introducing Rotary to new audiences and to potential partners and influencers.

Learn more about Jones' [presidential initiatives](#).

Keep Your Club's Graphics Up-to-Date

While many Rotary, Rotaract, and Interact clubs have updated their logos, some have not. This inconsistency hurts Rotary's image. "We need Rotary to speak with one voice," says Rotary brand specialist Liz Thiam. As with major consumer brands, Rotary's uses a standardized and specific font, color, and design that together is legally protected. Promoting your club starts with using the right logo. [Find tips for creating a club logo](#) that you can use on your website and social media accounts and in other marketing materials.

August is Membership Month

August is Membership and New Club Development Month, a time for Rotary leaders to focus on the most important part of our organization, our members. This year, Jennifer Jones is emphasizing comfort and care for our membership as one of her four presidential initiatives. Throughout the month of August, [read inspiring stories](#) of how districts and clubs are creating a nurturing environment and a welcoming culture that embraces diversity, equity, and inclusion. [And find a variety of resources](#) that will help you build and strengthen your membership.

Club News from around the District

Rotary Club Wichita DT: Captain Charles Plumb delivered an inspiring, yet humorous, account of his harrowing experience as a prisoner of war during the Viet Nam war to nearly 400 attendees. A lover of aircraft as a young boy in Kansas, Captain Plumb graduated from the Naval Academy and went on to fly adversarial flights for The Navy Fighter Weapons School, currently known as *TOP GUN*. He was shot down over Hanoi, on his 75th mission, taken prisoner, tortured, and spent 2,103 days in a North Vietnamese POW camp. Throughout the ordeal, he never lost his patriotism nor optimism. In his address, he encouraged every-one to take a similar approach when faced with life's challenges.

Rotary Club W Sedgwick Co. Sunrise: Thank you to our club members for the donations to the ICT SOS Fresh Start Drive to provide bags of necessities for trafficking victims. As a result, Brandy Mitchell, Project Chair, was able to present 9 bags to our speaker last week, Jennifer White, Executive Director ICT SOS.

Rotary Club Concordia:

We sponsored the Network Kansas Youth Entrepreneurship Challenge. It was very successful, largely due to the students having the opportunity to interact with and benefit from mentoring provided by club members. See the July newsletter for more details if your club is interested.

Rotary Club Atwood:

District 5680 2022-23 District Governor Ivanhoe Love visited our club today. The gavel was passed from 2021-22 president Deb Minkler to new 2022-23 President Scott Ross. Deb Minkler steps in to the 2022-23 Assistant/Area 6 Governor of D5680.

Rotary Club Pratt: 2021-22 President Darrell Shumway presented Lisa Perez Miller with our annual Rotarian of the Year award. Lisa is the Public Image Chair for D5680. Congratulations, Lisa!

Rotary Club Lyons: Thank you District Governor Ivanhoe Love Jr. (left) and Assistant/Area Governor Lee Sankey (right) for visiting our club! Thank you for the inspiring message and the challenges to our club, DG Love! We accept the challenge to grow our club by at least 20% as well as the challenge to "look more like our community"! The future is promising and looks great for District 5680 as well as the [Lyons Rotary Club](#)

Rotary Club Clay Center: DG Ivanhoe visited the club and exchanged banners with club president Maria Pfizenmaier. Ivanhoe said, "This is a very diverse, dynamic club full of energy. The club has many young Rotarians eager to do good in the community." DG Ivanhoe said he had many good one-on-one discussions with several members after the meeting. It's a great day to be a Rotarian in Clay Center.

Rotary Club Arkansas City: Our primary fundraiser is the "Flag Project." Six times per year, club members place flags outside of residences and businesses. It's a wonderful display of honor for our country seen all over Arkansas City!

Rotary Club Pratt: Each year our club serves as a meal sponsor for the Miss Kansas Organization and hosts a buffet luncheon for the candidates and Miss Kansas. This year's luncheon on June 9th was held in the Pratt Community College cafeteria for members and the 2022 Miss Kansas candidates. Miss Kansas Taylor Clark served as emcee for the event and provided information about competition week. Introductions were provided by each candidate and members networked during lunch, learning about the candidates and their platforms.

More Club News

Rotary Club Winfield: DG Ivanhoe reported a great visit to our club. After the meeting, PDG Dean Kennedy and John Baker took Ivanhoe to visit Island Park where the club raised \$250,000+ to construct the Island Park playground and another \$400,000+ to construct a performance venue. Impressive!

Rotary Club W Wichita: We presented a certificate to one of our \$1,000 high school scholarships to Cole Watkins. He will attend Dodge City Community College.

Rotary Club Norton: Our club awarded certificates to our 2022 scholarship recipients at a recent club meeting.

Rotary Club E Wichita: We have been meeting with recipients of our Rotary Scholarship Program this past month!

Rotary Club W Sedgwick Co Sunrise:

A storyboard celebrating the history of our Boundless Playscape and our club's 20th anniversary has been installed. We also had a cleanup day at the playground—picking up trash, trimming bushes, sweeping and blowing the sand away.

Rotary Club Clay Center: Our club

Painted a U.S. map at Lincoln Elementary playground. Rtn Steve McMahan provided these photos.

Rotary Club Colby: Club members

donated groceries, supplies, sloppy joes and beans, and served and cleaned up at the recent Picnic in the Park event

Rotary Club Old Town Wichita: Our club is offering our second pop-up grant and volunteer request for proposals. The grant is open to nonprofit organizations in the Wichita/Sedgwick County area. We're asking fellow Rotarians to help us share this opportunity with nonprofit leaders you may know and encourage them to apply. They may follow the link to complete and submit the form. <https://forms.gle/afh4GuX77dFTwRnTA> The deadline for submission is August 29, 2022.

Rotary Club Colby: Our RYLA participant, Nikki Berggren told us about her wonderful experience at RYLA.

Rotary Club E Wichita: EWR is now meeting the 2nd – 5th Wednesdays at noon. The first Wednesday of each month we are doing a service project in lieu of a club meeting. Our first project was August 3 at Urban Preparatory Academy, stuffing 150 backpacks with school supplies for the upcoming year.

Kick-Start Your Club's Social Media Presence

Take photos that tell a story. Capture images that show action rather than group shots, with people actively engaged in a service project or sharing a moment of laughter.

Social media makes expanding your club's reach easier than ever, but how? There are tips, tricks, and tools for creating content for social platforms, and the goal is sim-

ple: connection. A well-built social media presence will help you create connections in your community and beyond; from showcasing your club's success to building awareness of its presence.

To help boost your social media savvy, we've put together the following eight tips and tools: [Read more of this post](#)

Participate in 2022 Rotary India NID

From AG DeAnn Sullivan (RC W Wichita)

If you have any interest in seeing Rotary's Polio eradication work up close, this is an amazing opportunity – **and probably the last time it will be offered**. I took this same trip (exact same itinerary) in 2017 with Howard Tours and can recommend it without reservation. It's a perfect blend of tourism and service. From visiting museums and the Taj Mahal to visiting the Jaipur Limb Factory and the Rotary project in the Delhi slums. But most of all – I'll never forget giving polio drops to the children. The youngest was 6 days old. I've attached my photo of that.

Please share this with your Rotary friends. It's truly a unique opportunity only Rotary could provide. I loved it and want to be sure anyone else who may be interested gets the chance to consider it.

We are thrilled to announce that we will be taking a group to India to participate in a National Polio Immunization Day this September. You can find information on our website: www.HowardTours.net

In 2015, India was declared polio free, and polio is now endemic in only two countries. As a result, there are fewer and fewer opportunities to participate in a NID world-wide. This may be one of the last opportunities you will have to join a trip to participate in polio NID activities.

Trip Highlights: We travel to Delhi, India to participate in the polio NID activities and attend other related Rotary events. In addition, we travel to Agra to visit the Taj Mahal, and the magnificent Pink City of Jaipur to visit the famous Rotary Jaipur Limb factory.

Date of Departure: Friday, September 09, 2022
Date of Return: Tuesday, September 20, 2022

Per person cost, based on double occupancy: \$2,599. This price includes hotel accommodations, most meals, sightseeing, Rotary events, participation in the NID activities, transfers, English speaking guide, and other items as stated in the attached document.

This price does not include international, roundtrip airfare or Indian visa fees. Participants are free to secure their own air reservations using their frequent flyer mileage, or individual purchase. Howard Tours will be happy to help you purchase airline tickets, which can be requested on the trip application.

To mitigate the risk of COVID, the size of this group will be limited, and all participants must be fully vaccinated.

To join us, please complete and sign the application on page five of the attached document (*contact [DeAnn Sullivan](#) or [Geri Appel](#) for the document*) and send it to us with the requested deposit. Please take immediate action as we would love to have you join us!
