Message from District Governor

Dean Kennedy

Dear Dream Team,

District Conference is over. The flags have been stored for another year. The bridges have been taken down but only after we crossed them. The banners folded and placed neatly in the box. The Shelter tent and equipment placed back in that small little Shelter Box and all the Rotarians are home. It is a little like sending the kids back to college. You are happy but yet sad.

I can't even begin to cover all of the great points made by the super speakers, break outs, and events at District Conference. The pictures can't even do justice to the various events. A huge "thank you" to Lucy Herlocker Freeman and the conference committee, Kaydee Riggs-Johnson, Cindy Goertz, Bradley Gamber, Curtis Dick and Anthony Stonerock. I would also like to thank the Winfield Rotary club for unbelievable support and tolerating months of planning and the Arkansas City and Derby clubs for helping host. Another huge thank you goes to Helen and Mike Barnes as keeper of the flags which add so much to the event.

Of course, a huge thank you for all of the Dream Team that attended. We had over 135 Rotarians and partners register and attend the conference.

But now it is just like the kids going back to college, the real work begins. Each of us must take and use all of the information that was provided to benefit our Rotary club and Rotary around the world. That knowledge is of no value unless we share and use it. I sincerely hope that each of you came away with lots of ideas and will discuss those with your Board and Club. Remember Cheryl's comment about how to implement that. Also remember Judge Webb's comments about a bridge to your heart. Cheryl's power point and the survey results have been sent to the Dream Team Presidents. Cross that next bridge and share this information.

I see some fantastic ideas and plans developing in the district. Please share those with the other clubs in your area. You have other Dream Team members that are a resource for you to use. Partnering will make

2018-2019 Rotary International President Announced

RI President John F. Germ declared **Samuel F. Owori** of the Rotary Club of Kampala, Uganda, as Rotary International's president-nominee on October 1, 2016. He will be elected at the 2017 RI Convention in Atlanta, Georgia and will become president on July 1, 2018. The 2017-2018 RI President is **Ian Risely** of the Rotary Club of Sandringham, Victoria Australia.

Celebrate World Polio Day—Live-stream event on Oct. 24

A Message from the Rotary Foundation Chair-elect

Join me and other Rotarians around the world for the Fourth Annual World Polio Day event, co-hosted by Rotary and the U.S. Centers for Disease Control & Prevention (CDC). The event will be **live streamed** from CDC headquarters in Atlanta, Georgia, to bring together more than 50,000 viewers around the world. Rotary will be joined by celebrities and experts to share our progress on the road to polio eradication.

Tune in to the live-streamed update on www.endpolio.org at 6:00 pm EST on 24 October. In addition, hundreds of local Rotary-led World Polio Day events are being planned this year.

Thank you for helping to eradicate this completely preventable disease.

Paul A. Netzel
Trustee Chair-elect 2016-17

*Refreshments are being provided by the district.
There will be free libations at or near the end of the training.*

Please **register** those who are attending by sending an e-mail to cdick3@cox.net.
Any questions contact Martin Bauer, mwbauer@martinpringle.com or call 316 655-2769.

**DO NOT MISS THIS OPPORTUNITY TO EXPAND AND CONTINUE
YOUR CLUB AND ITS ACTIVITIES WITHIN YOUR COMMUNITY.**

Meet Kent Erb—New District Executive Secretary

Kent Erb was selected by the Executive Committee to serve as the Executive Secretary/Treasurer of District 5690 effective January 1, 2017 to replace PDG Curtis Dick who has resigned effective 12/31/16.

After serving our district for 11 years, PDG Curtis Dick is resigning effective December 31, 2016. Kent is a great Rotarian who will do a fantastic job for our clubs and district and the transition has already begun. In the meantime, between now and 12/31/16, it would be an advantage to Kent if you would copy him on

emails you send to Curtis. Kent's contact info is: 921 W 17th St., Newton, KS 67114
Cell (316) 722-6647 Email D5690Treasurer@gmail.com

The Executive Committee expressed its heartfelt gratitude to PDG Curtis for his many years of service to the District.

Ethical Dilemma—What Would You Do?

Your club is formalizing a partnership with a local organization. Since the organization's work aligns well the work of your club and Rotary, the partnership is highly beneficial. A member of your club with experience working with the organization is very passionate about the partnership. As you spearhead the relationship, the club member is constantly monitoring partnership progress. Although you are doing as much as you can, the club member expects you to do a lot more and is not satisfied with how things are moving along. The member has even made calls to the organization to check on the progress, and your partnership liaisons from the organization have complained that the member is being pushy. As this is a very important partnership, you want to maintain your club's image and ensure the partnership develops into a successful one.

While you appreciate your fellow member's passion, **what would you do?**

Share your thoughts (or read the thoughts and comments of others) at <https://rotaryservice.wordpress.com/2016/10/12/ethical-dilemma-discussion-what-would-you-do-5/>

October is Economic & Community Development Month

Worldwide, 836 million people live in extreme poverty, according to the United Nations.

Rotarians worldwide are committed to reducing poverty by using their skills in projects that provide vocational training and that strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities. Here are just a few of examples, from [Rotary Showcase](#), of members taking action:

- The [Rotary Club of Islamabad Mid Town](#), in Pakistan, established a vocational center to provide training for orphan girls with courses such as sewing, flower making, glass painting, and beautician skills. Successful students also receive help selling their work to earn an income.
- The [Rotary Club of Bislig](#), in Surigao del Sur, Philippines, trained unemployed parents to bake and decorate cakes and cure ham to help them to support their families.
- The [Rotary Club of Dhaka North West](#) in Bangladesh built a computer learning center, starting with a single computer in 2002, which has provided training to more than 1,000 students. Many of them have found jobs as a result.

Observe Economic and Community Development Month in October by checking the [Rotary Service Connections blog](#) for tips, resources, and success stories to inspire your club or district to plan a project that will strengthen your community.

Join Fellow Rotarians in Atlanta for the 2017 Rotary Convention and the 100th anniversary of the Rotary Foundation.

Important deadlines

15 December 2016: Last day for early-registration discount (\$340 Rotarians/\$70 Rotaractors)

31 March 2017: Last day for preregistration discount (\$415 Rotarians/\$100 Rotaractors)

14 June 2017: Last day for online registration (\$490 Rotarians/\$130 Rotaractors)

<http://www.riconvention.org/en/atlanta>

Rotary-United Nations Day - November 12, 2016

You are invited to participate in our Rotary-United Nations Day in New York City on Saturday, November 12, 2016.

The Saturday meeting starts at 8am (registration) at UN Headquarters and will include presentations and panel discussions addressing key humanitarian issues of concern to both the UN and Rotary. Enjoy featured presentations from senior UN staff, affiliated NGO's and Rotary leaders, with panel discussions on our mutual goal of achieving peace. RI President John Germ will participate.

A separate Young Leaders program is planned and available only to Ambassadorial & Peace Scholars, Rotaract Club Members and select Interact Club members. Be sure to encourage these individuals who may have an interest in global affairs. Note: The regular Youth Program is a separate registration at: riunday.org/registration.

Rotarians and Young Leaders can register at RotaryUN-Day2016.eventbrite.com. Do this ASAP, since numbers

are limited. Cost is: Rotarian US\$65 and Youth US\$50, including a box lunch. Note: UN tours are not available on Saturday, so those interested in this should do so on Friday morning. [To reserve a guided tour Click Here](#)

As usual, a **Saturday evening dinner** (cruise) November 11th is being planned. All Rotarians, UN Colleagues and friends from around the world are welcome to join us. Please email PDG Doug Vincent if interested DougV@DougVincent.com for final details and pricing.

Accommodation is expensive in NYC. There are more economical hotels across the river about 30 minute bus ride away. Many stay at the Quality Inn or Marriott Hotel in, Lyndhurst, NJ and save over \$100. per night. Or if flying, the Comfort Inn in Queens is a convenient-to-subway location.

Join Rotary friends at the United Nations and celebrate Rotary's role in the development of the UN back in 1945. It will be an exciting experience. Rotarians, family members and friends are all welcome.

www.RIUNDay.org

World Toilet Day—November 19, 2016

The United Nations estimates that 2.4 billion people do not have adequate sanitation. 1 billion of these people still defecate in the open. Poor sanitation increases the risk of disease and malnutrition, especially for women and children.

This year [World Toilet Day](http://www.worldtoiletday.info/) (www.worldtoiletday.info/) is focusing on the link between sanitation and nutrition. Lack of access to clean drinking water and sanitation, along with the absence of good hygiene practices are among the underlying causes of poor nutrition.

Please spread the word about sanitation on World Toilet Day. You may have seen it before, but WASRAG Board Member Mark Balla's fantastic TED Talk is a great way of introducing the topic and would make a great club meeting presentation: [Toilet Humor is Serious Business](https://www.youtube.com/watch?v=r3xr13xFfto) (<https://www.youtube.com/watch?v=r3xr13xFfto>)

Source: WASRAG E-Newsletter, October 2016

Good Boards Mean Good Clubs

*It is my belief that we neglect to think of our clubs and district boards as the governing bodies of our clubs and district. We should consider our board of directors as the responsible body for our clubs/district, not only for our program and day-to-day operations, but also as the group of people who ensure we adhere to the rules, guidelines and policies of Rotary and our bylaws. With this in mind, consider the **Ten Basic Responsibilities of Nonprofit Boards (adapted to Rotary)** below as a guide for a good board and a good club:*

1. **Determine mission and purpose.** It is the board's responsibility to create and review a statement of mission and purpose that articulates Rotary's goals, means, and primary constituents served.
2. **Ensure the appropriate people serve in club positions.** Boards must reach consensus on the responsibilities of all committee chairs and team leadership, as well as undertake a careful search to find the most qualified Rotarians for these positions.
3. **Support and evaluate the chairs/leadership.** The board should ensure that all committee chairs and team leadership have the moral and professional support they need to further the goals of the club/district/Rotary.
4. **Ensure effective planning.** Boards must actively participate in an overall planning process and assist in implementing and monitoring the plan's goals.
5. **Monitor and strengthen programs and services.** The board's responsibility is to determine which programs are consistent with Rotary's mission and monitor their effectiveness.

6. **Ensure adequate financial resources.** One of the board's foremost responsibilities is to secure adequate resources for the club/district to fulfill its mission.

7. **Protect assets and provide proper financial oversight.** The board must assist in developing the annual budget and ensuring that proper financial controls are in place.
8. **Build a competent board.** All boards have a responsibility to articulate prerequisites for candidates, orient new members, and periodically and comprehensively evaluate their own performance.
9. **Ensure legal and ethical integrity.** The board is ultimately responsible for adherence to legal standards and ethical norms, as well as Rotary's policies and procedures.
10. **Enhance the organization's public standing.** The board should clearly articulate Rotary's mission, accomplishments, and goals to the public and garner support from the community.

Finally, it is your club's board responsibility to maintain a solid record of your actions through maintaining board meeting minutes and club financial records (RI requires this). These help in planning, creating a history and documenting actions. It is our responsibility as leaders of our clubs and district to ensure that we do the right things to adhere to Rotary's standards, to maintain your club's good reputation and finally, to meet your community's expectations.

*Column submitted by Fred Heismeyer,
District 5690 Trainer*

Service Above Self Corner—Bill Gardner

Bill Gardner (RC Wichita DT) is the District PR Chair. He coordinated and designed the outstanding Rotary booth at the Kansas State Fair. Here's a note he received:

"I am a member and past president of the Rotary Club of East Wichita . . . I wanted to reach out to say THANK YOU and GREAT JOB on the Rotary Booth this year at the State Fair. I had the privilege of placing the East Rotary banner in the stand. It made me so proud to be a Rotarian and to show the people I was with the booth.

Thank you again for your efforts to make the booth outstanding!

Chris Kibler, RC East Wichita

Thank You to Bill Gardner and the entire State Fair Booth Committee for a job WELL DONE!

5 Talking Points to Promote Polio Fundraising

Afghanistan and Pakistan are the only remaining countries where the transmission of the wild poliovirus has never been stopped. So if we are so close to eradicating polio, why do we still need \$1.5 billion to finish the job?

As a club or district leader, you may have heard some version of this question from members of your club or community. Given Rotary's status as one of the largest private funders of the polio eradication program, our organization's continued leadership is imperative in these final stages. Below are five talking points to use in explaining to members of your club and community why fundraising and advocacy are as important now as they've ever been.

1. REACHING EVERY CHILD To end polio, we need to focus our efforts on reaching every last child in Afghanistan and Pakistan, the only remaining countries where transmission of the wild poliovirus has never been stopped. Both countries require the support of the global community to immunize children who have consistently been missed, and to conduct high-quality immunization campaigns. The biggest expense in a vaccination campaign is not the vaccine but its distribution, including transportation and staffing arrangements.

2. PROTECTING OUR GAINS At the same time, we must continue to keep all other countries polio-free, including up to 60 that remain at high risk either due to conflict, population migration, weak health systems, or other conditions. In August, Nigeria reported two cases of wild poliovirus, the first cases detected since July 2014, and a sober-

ing reminder that countries need to remain vigilant. A rapid response plan has been put into place to counter the outbreak.

3. MAINTAINING SURVEILLANCE Stepped-up surveillance is vital to ensure that the virus is truly gone from other parts of the world. This means both checking every report of acute flaccid paralysis (the sudden onset of floppy arms and legs) and testing water for the poliovirus. Only one in 200 cases of polio results in paralysis, meaning that for every child with signs of paralysis, a couple of hundred are carrying the disease and may not exhibit symptoms. Because the poliovirus is most easily detected and spread through stool, researchers take samples from sewage systems or from rivers and open gutters in places lacking sewage systems. Rotary and its partners have developed a network of 145 laboratories worldwide that can identify the disease. Detection activities will intensify this year with additional medical officers and environmental surveillance sites.

4. ACHIEVING CERTIFICATION Even after the final case of polio is recorded, it will take three years to ensure that it is indeed the last case. So even if the last case is seen this year, these programs will continue to need funding and volunteers until 2019, and that carries a price tag of \$1.5 billion.

5. PREVENTING A COMEBACK Until we ensure eradication, the risk of resurgence remains. A global resurgence of the disease could bring up to 200,000 new cases a year within 10 years.

Source: Rotary Leader – September 2016

The Rotary Foundation—Charitable IRA Gifts

For those age 70½ and older, it is now possible to make tax-free charitable gifts directly from Individual Retirement Accounts (IRAs). This giving option had been available at times in the past and was made permanent in December 2015.

If you have a traditional IRA, you can now make gifts directly to The Rotary Foundation using funds that might otherwise be taxed when withdrawn. You may choose to make charitable gifts directly from an IRA up to a total of \$100,000 per person, per year.

By giving directly from your IRA, you also won't increase your adjusted gross income or possibly subject your Social Security to a higher level of taxation.

Another advantage: Your gift will count toward your Required Minimum Distribution and you can avoid taxes on income while you help Rotary improve communities around the world.

Contact planned.giving@rotary.org for more information.

Nigeria Reclassified as Polio Endemic

Nigeria reported three cases of wild polio-virus in the northeastern state of Borno in August of this year. Following the World Health Organization's confirmation of these cases, the country returned to the list of polio-endemic countries. The other polio-endemic countries are Afghanistan and Pakistan.

vaccination campaigns and surveillance, as well as political commitment, the country has made significant progress. Furthermore, the new cases were detected due to ongoing efforts to strengthen surveillance, especially in insecure areas.

These are the first cases detected in the country since July 2014, and while this news is disappointing for all Rotary members, we are confident that Nigeria can defeat polio. Rotary provided \$500,000 to assist immediately with the outbreak response, and an emergency response plan has been put into action in coordination with our partners. Large-scale vaccination campaigns are ongoing across five countries in the Lake Chad basin to counter the outbreak.

Despite these new cases, there has been significant progress toward ending polio in Nigeria, the rest of the African continent, and globally.

As recently as 2012, Nigeria accounted for more than half of all polio cases in the world; however, thanks to quality

We have proven strategies to stop new outbreaks quickly, even in insecure regions or areas made vulnerable by conflict, such as South Sudan and Syria. These strategies will also overcome the outbreak in Nigeria.

Rotary is committed to the eradication of polio, and we will continue to support our members, particularly those in Nigeria who have worked so hard to help the country end polio. With your help, we can ensure that there is no remaining home for the virus.

*Michael K. McGovern,
International PolioPlus Chair
30 Sept 2016*

Interact Club of Ulysses High School Update

Thanks to Elsa Havel, RC Ulysses Newsletter Editor, for this update!

Three Interact Students came and talked to the club to give us an update on what they have going on so far this school year. Tyra Hayden, President; Cassandra Rodriguez, Perla Moncayo and their sponsor, Misty Becker were the representatives present. They mentioned their upcoming projects are:

- Trick-or-Treat so others can eat, this is a canned food drive for Loaves and Fishes that will take place on October 27th. If any club members would like to bring donations to the Library during our meetings, we will be sure to get them to the Interact Club.
- Operation Christmas Child, they will start in November collecting items to fill boxes to pack.
- Angel Tree at Christmas, the club will be adopting a family to help out this Christmas.

They are also looking to do more community service projects throughout the year and get Interact more involved.

Erica mentioned that we will be looking for help to paint the U.S. maps at Hickok and Sullivan Elementary schools and would like to have Interact students involved as well. Also, Matt mentioned our duck race to them and said it would be nice to have some Interact representation there as well. They will look to come back and continue to keep the club updated on their projects throughout the year.

Tyra and Perla were able to attend the RYLA camp last spring and they both were very thankful for the opportunity to participate. They both had a blast and learned a lot of leadership skills. They mentioned they were able to visit Camp Horizon for some team building activities and help out with a service project, which was a clothing drive for women in need. I believe they said it was for a group called, Eagle's Nest. They are really hoping they'll be able to attend again this year. Cassandra was out of town, but is hoping it will work for her to go this year as well.*Side note, Cassandra is the younger sister of Mercedes, who is the student we sponsored as an outbound exchange student to Brazil a few years ago.

Club News from around the District

Rotary Club Old Town Wichita: We had a great start to our Hair Fairy Workbook assembly, our District Grant project.

Rotary Club Newton: We had Elsa Menindez and Logan Treaster at a recent meeting. Logan is our local out-bound that did a short-term exchange in Or-

leans, France last summer. Elsa is our short-term exchange student from Orleans this fall. Logan stayed with Elsa's family and Elsa is staying with Logan's family—a true brother/sister exchange!

Rotary Club W. Wichita: Foundation Chair John Mosley presented Paul Harris Fellowship +2 recognition to Tony Morrow.

Rotary Club El Dorado: Club and family members as well as Butler College students painted a US map on the Skelly Elementary playground. All elementary schools in El Dorado now have a playground map. Students enjoy standing on and identifying the states. It improves map skills and is truly a "feet on" activity.

Rotary Club El Dorado: We had a joint meeting with the El Dorado Kiwanis club to hear speaker Mike Pompeo recently.

Rotary Club Ulysses: We used our District Grant to hold Stroke Detection Screenings in Ulysses. Many club volunteers and Interactors have been manning the registration desk at the hospital over two consecutive weekends.

Rotary Club East Wichita:

While vacationing in Scotland recently with her husband, Susan Addington discovered that Rotary is a pretty big deal there. This photo called "Rota-Kids at the Kelpies" shows children at the Kelpies, 30-meter high horse head sculptures that are a monument to horsepowered heritage across Scotland. Rota-Kids are for youth ages 8—12 and are popular in Great Britain.

Rotary Club Newton: Our club is celebrating its centennial! On Sept. 27 we held the ribbon cutting ceremony at of the Dog Park in Newton's Centennial Park. The dog park is a gift from the club to the community with help from a District Foundation Grant. There is both a small and large dog play area in the park.

Rotary Club Derby:

We participated in the Kids Corner at the Derby BBQ Fest again this year. We had our Bean Bag toss game, based on the Four Way Test. Hundreds of kids tried their luck to win small prizes. Rotaries pictures (l-r) are Roger Thomas, David Drake, Rob McDonald and Kathy Sexton.

Rotary Club Kinsley: We enjoyed a recent visit from our Assistant Governor, Dave Wetmore (Dodge City) and District Governor Dean Kennedy (Winfield) recently. Thanks for spending time in Kinsley!
