## Message from District Governor Fred Heismeyer

DGE Ivanhoe, RIPE Jennifer, DGN Gloria, and DG Fred

# We Develop Leadership!

“Serve to Change Lives”, as you all know by now, is our RI Presidential theme for this year. Over the past 10 months we have seen district Rotarians change the lives of youth and elderly in communities across the district. We have seen Clubs commit to change lives by supporting projects that have impact worldwide. We have seen partnerships between Rotary and other community and international organizations addressing the needs of the poor, the disenfranchised, refugees, and the sick. And we have seen Rotarians respond to local and global disasters. Rotary does change the lives of people locally and around the world. But as important, Rotary changes the lives of fellow Rotarians. Rotary offers the opportunity to further develop leadership in yourself, in your fellow Rotarians, in your club and in your community.

Clubs, districts, communities, and our society are all yearning for ethical, empathetic, and engaging leadership. Rotary sets the stage for us to step up and lead.

Our Four-Way Test gives us the framework for good leadership. The Rotarian Code of Conduct gives us the ways to act as ethical and caring leaders. Rotary offers the opportunities to lead meetings, coordinate projects, use conflict resolution skills, and to hone our personal leadership style. These skills are not only important within our club and district but helps us build skills we will use in our professional life as well as other areas of our personal life.

The challenge for all Rotarians is to take the challenge, get out of our comfort zone, step up and volunteer to be a committee chair, board member, officer, or other formal leader. Don't just come to your club meeting, eat a meal, and wait for others to lead. Your club, our district, and Rotary at all levels need you – your passion, your dedication, your time and most important, your leadership abilities. Presidents-elect, ask specific Rotarians

SERVE TO CHANGE LIVES

## DG Message (cont'd)

to join you in Imagining Rotary and be a leader. As a Rotarian – step up and ask your club’s leadership for an opportunity to Imagine Rotary and be a leader. It is the responsibly or all Rotarians to continue to build on the work, success, and leadership of past Rotarians and to be good stewards of Rotary for the future as we lead today.

## 2022 Council on Legislation Action

**Representatives to the 2022 Council on Legislation voted overwhelmingly on their first day of sessions to add “equity and inclusion” to Rotary International by-laws, affirming the organization’s continued effort to be inclusive of all cultures, experiences, and identities, and to reflect the communities it serves. D5680 was represented by PDG Rod Kreie.**

The four-day conference, held in Chicago on April 10-14, marked Rotary’s first successful attempt to host a hybrid international event since the outbreak of the COVID-19 pandemic. About 520 representatives represented Rotary districts around the world; about 60% attended in-person, and the rest participated via Zoom.

This year’s Council reviewed and voted on more than 90 enactments that would change RI’s constitutional documents. Among the highlights is the legislation that

promotes diversity and builds a well-balanced Rotary membership.

The enactment to add “**equity and inclusion**” to the RI bylaws passed by a vote of 420 to 56. Amended Rotary bylaws now state that “each club or Rotaract club shall endeavor to build a well-balanced membership that celebrates diversity, equity, and inclusion.” Rotary prohibits clubs from denying an individual membership due to gender, race, color, creed, national origin, or sexual orientation.

“We have now made growing and diversifying our membership a top internal organizational priority,” said Valarie Wa-

fer, who chairs RI’s Global Diversity, Equity, and Inclusion task force. “Feeling welcome and comfortable with fellow club members is the single greatest driver of member satisfaction, and retention,” Wafer maintained. “By adding equity, we are thoughtfully considering how to provide differing levels of support, opportunities, and resources so everyone can have a welcoming and valuable experience. Adding inclusion ensures that we focus on creating experiences in which all people are welcomed, respected, and valued.”  
*Editor’s Note: See letter from RI President Shekhar Mehta in this newsletter.*

**Representatives approved a dues increase for each of the next three years.** Dues that clubs pay to RI per member are set at \$35.50 per half year in 2022-23. Dues will increase to \$37.50 per half year in 2023-24, \$39.25 per half year in 2024-25, and US\$41.00 per half year in 2025-26.

“The proposed dues adjustment is based on the most current forecasting information,” said RI Director Elizabeth Usovicz. She attributed the dues increase to lower membership, lower earnings, and fluctuating inflation. “The approval will now enable Rotary to respond quickly and compassionately to humanitarian needs.”

During one session, RI President Shekhar Mehta recognized Hennaddii Kroychuk, a delegate from the Ukrainian city of Lviv, who left his war-torn country and took a circuitous journey to Chicago for the Council. He received a standing ovation attendees for what Mehta called “fulfilling his duties under extreme circumstances and demonstrating such a commitment to Rotary.”

## DG Visits Lindsborg Club

DG Fred and Joyce complete their final club visit!

Keeping the Rotary spirit alive through the pandemic has been a challenge for many clubs, but the RC of Lindsborg is on the track to come back stronger, doing Service Above Self in the community. Special thanks to President Dean for leading the efforts to meet, reengage, and recommit to making Rotary a driving force in the community.

Our visit was a wonderful meeting of stories, laughter and a nice meal at the new Hungry Swede restaurant, owned by a Rotarian. Also thanks to Salina President, Jenell Hulse and PDG Mike Mills for their support in reengaging the club. We look forward to the great things coming from this club.

## Rotary Leadership Institute a Success

District 5680 held its second Rotary Leadership Institute in Russell, KS on **April 29-30, 2022**. The Rotary Leadership Institute is a two-day training program for all Rotarians – particularly for those new to Rotary and those interested in progressing into Club or District leadership positions.

It was time filled with learning, friendships and laughter. All Rotarians should plan to attend our next RLI in October during District Conference in Liberal.

*“Reflecting on the RLI experience and meeting all of you (some for the second or third time), it makes me smile and makes my brain gears turn!! I’m thinking of ways to apply something to make our club grow, engage, and shine in the community. I picked up a lot of hints from each of you...so forgive me if I’m a copy-cat!”* said Criquet Cole of RC Phillipsburg.

## Guymon Rotarian Receives Cliff Dochterman Boy Scouts Award

**David Player**, a member and past president of the Guymon Rotary Club received the Cliff Dochterman Award. His award was presented by District Scouting Director Erica Maddox at a recent Guymon Rotary meeting.

David is a Methodist pastor has been active in the Boy Scouts and Rotary for many years. He became involved in the Scouts at age 9 in South Africa. During his pastorships, he has supported or chartered BSA clubs in each city he lived. He is proud to be an Eagle Scout as is his son, Reece.

"David has been a blessing to the Guymon Rotary Club and area Scouts. When he came to Guymon, he infused the Club with enthusiasm and began to mentor us all. We have grown as a club ... literally in membership, in participation, and in understanding of what it is to be a good Rotarian," says Melyn Johnson of the club. "Our club and the Scouts are strong partners.

**The Cliff Dochterman Award** is an honor available to recognize an individual Rotarian or Rotaractor who acts as a role model and renders distinguished and dedicated service to Scouting through active service, leadership or other exemplary contributions to the Scout Association of his or her home country; or, internationally, to any WOSM or WAGGGS recognized Scouting Association. The Cliff Dochterman Award is named in honor of distinguished Rotarian, former RI President and dedicated Scouter Cliff Dochterman of Moraga, California, USA. ## Letter from RI President Shekhar Mehta on DEI

Dear Rotary member,

We are dedicated to enhancing your Rotary experience by supporting what is important to you, our members. You have consistently told us that you want Rotary to be a place that celebrates diversity, that fully represents our communities, and that offers all members equitable opportunities to thrive.

You also recognize that embracing diversity, equity, and inclusion (DEI) will allow us to do more meaningful work while engaging with people who know they'll be valued for the qualities that make them unique. These sentiments were reinforced last year by the more than 31,000 members around the world who responded to our first [DEI survey](#).

To ensure that the principles of diversity, equity, and inclusion are ingrained in everything we do, the RI Board of Directors, guided by the DEI Task Force, has strengthened our [commitment](#) to DEI and is [taking action in response](#) to the survey findings.

### Our DEI Code of Conduct

What we say and how we behave matter. Although free expression is important, we must take responsibility for how our words and actions may affect others. The Board has approved a new DEI Code of Conduct to help Rotary members create and maintain an environment that is collaborative, positive, and healthy for everyone.

Simply put, the DEI Code of Conduct asks you to:

- Use respectful language
- Be supportive
- Foster a welcoming and inclusive environment
- Celebrate diversity

All Rotary leaders, from club presidents and district governors to directors and trustees, are expected to apply the DEI Code of Conduct uniformly to help members recognize the impact that their words and actions can have on

other people.

If you experience behavior that does not align with the DEI Code of Conduct, you have ways to respond:

- If the situation can be resolved through discussion, please talk to the person directly. Often, the person who said something or acted in a way that made others feel excluded, marginalized, or targeted did not do so intentionally. Although there might be mistakes, missteps, and uncomfortable conversations along the way, having this dialogue will lead to a better and stronger Rotary.
- If a discussion is not possible or the situation involves someone in a leadership role or another club, contact Rotary's [Club and District Support staff](#), who will review the information and follow up appropriately.
- If you are in danger or your safety is in doubt, contact local law enforcement officers and notify [Club and District Support staff](#).

As an organization, we are stronger when we embrace the diversity found in our clubs and communities. We are more effective when we offer a valuable, inclusive experience that provides equitable opportunities for people to serve, to lead, and to participate with us. To grow Rotary and become a more dynamic organization, we must take DEI seriously. And with your support, we are doing that.

Sincerely,

Shekhar Mehta, RI President  
and the 2021-22 RI Board of Directors

## Rotary Stands with the UN on Ukraine

[#Rotary](#) stands with the United Nations General Assembly in expressing grave concern at “the ongoing human rights and humanitarian crisis in Ukraine, in particular at the reports of violations and abuses of human rights and violations of international humanitarian law by the Russian Federation.”

As a global humanitarian organization, Rotary takes a proactive stance toward peacemaking by addressing the underlying causes of conflict.

We support recent UN General Assembly resolutions calling for an immediate ceasefire and withdrawal of Russian military forces from Ukraine. This aligns with Rotary's deep commitment to promoting peace through dialogue and conflict resolution.

We are working beside our partners in the international relief community to help provide resources to the more than 10 million Ukrainian refugees forced to flee the field of battle. [#RotaryResponds](#)
