Message from

District Governor Kurt Harper

Dear Fellow Rotarians,

By the end of August, Kelly and I will have visited 21 of our 60 clubs. We had to slow down in August, due to some commitments I had locally, but we are hitting the road again in September, with 12 visits on the books in addition to attending Zone at the end of the month. Our current schedule of visits follows this article. If your club isn't on the list, and we haven't been there yet, send me an email to get scheduled!

Slowing down has given me some time to actually think about all we do together as Rotarians, and how we equip our members to lead, so I would like to follow up on some special emails I have circulated to Club Presidents.

First, it is very important that your club begin the process of electing leaders for 2020-21 right away. Yes, that is months away—but PETS (President Elect Training Seminar) is March 26-28. We have some outstanding speakers lined up already, and this event will be sure to be rewarding! Help us, and our colleagues in our adjacent District 5710, put on a great seminar by identifying your new officers early, and providing that information to the District office and to Rotary using My Rotary. As of now, eight clubs have listed their incoming president using My Rotary; I know of a couple more clubs that have had their

elections. Your president—and more importantly, your club—will benefit greatly with an early election of officers and reporting the results. Trust me—your incoming presidents will NOT want to miss this year's seminar.

Second, I have recently forwarded to club presidents and

other interested Rotarians information on ShelterBox, and Rotary's renewed partnership with this amazing organization which provides unique, life supporting disaster relief throughout the globe. There will be a webinar on this topic in September. The work ShelterBox does, and our ability to Connect the World through this avenue, is staggering. I am hopeful that your exposure to this work will inspire some fresh faces to step forward and take a new leadership role in this area, learning from a great mentor, Marshall Stanton, who has spearheaded our efforts for years!

Third, don't forget District Conference coming up October 11-13, with the bulk of the activity and the principal banquet on Saturday, October 12. Events will be at the Wichita Marriott, but our committee is putting together some local flavor to help you enjoy your stay in Wichita. Remember, your club's district dues include an allowance for your "electors" to attend! Watch the website and Facebook page for registration information; and if you want, go ahead and book your room!

Finally, take time to consider how you, or

DG Kurt Harper (cont'd)

your club, can plug in to Rotary's mission by observing its upcoming monthly themes or events: **September** is Basic Education and Literacy Month; **October** is Economic and Community Development Month AND includes World Polio Day on October 24; **November** is Rotary Foundation Month—a great target month to bring those prospective Paul Harris Fellows to the finish line; and **December** is Disease Prevention and Treatment Month. No, I don't know why World Polio Day and this Theme are not in synch—just accept that they are both extremely important!

Now, go out there and help Rotary Connect the World, whether for you that involves taking action around the globe, or in your community!

Kurt A. Harper

District Governor, 2019-20—District 5680

Remaining Club Visit Schedule To Date:

Sept 3	Wellington	Noon
Sep 4	Winfield	Noon
Sept 5	Pratt	Noon
Sept 9	Dodge City	Noon

Club Presidents - Let's Connect!

JOIN US

Wednesday, September 4 @ 4:30 p.m. – 5:30 p.m. (Central)

Register in advance for this meeting:

<https://zoom.us/meeting/register/afe13f20577769128c34be5db4a05ad8>

This is a webinar just for you! You have now been in your role as Club President for about two months. It is not unusual to feel excited and frustrated, asking yourself "what did I get myself into?". You may have questions, especially now that you have some time wielding the gavel and being the primary leader of your club. We have a couple of past presidents ready to give their "sage" advice on how you can maximize the impact of your club in your community.

We will spend the hour-long webinar answering your questions and hearing from past presidents about what they would do differently if they had it to do over, as well as what they wish they had asked early on in their year as president.

This is one session you will not want to miss. The webinar will also have DG Kurt and DGE Dana to provide guidance and answers to Rotary questions.

August is Membership & New Club Development Month

August is Membership and New Club Development Month. This is the perfect time to celebrate your club's members and consider the many options available for strengthening your membership. The following ideas can get you started:

Show your Rotary pride by adding a [Proud Member frame](#) to your profile picture on Facebook.

[Watch RI President Mark Daniel Maloney](#) speak about growing Rotary and share his short membership video at your next club or district meeting.

Welcome new members to your club with [Rotary Basics](#). The online course covers all things Rotary in an interactive, multimedia format. The course was designed for new members, but it's also a good refresher for long-time members who want to test their Rotary knowledge.

Encourage local businesses, nonprofits, and government groups to get involved in Rotary by offering corporate memberships. Learn more about this innovative membership model in the [Guide to Corporate Membership](#).

Did you know you can start a satellite club with as few as eight members? The [Guide to Satellite Clubs](#) explains what a satellite club is, how it can benefit your community, and steps for starting one.

Passport clubs encourage their members to visit other clubs and participate in their activities as a way to get fresh ideas. Learn more about this club model in the new [Guide to Passport Clubs](#).

The newly updated [Club Flexibility page](#) has great ideas and tips for how your club can stay relevant to current and future members.

Finally, Rotary has a series of membership courses available in the [Learning Center](#) — from managing [Online Membership Leads](#) to [Building a Diverse Club](#). Each course includes self-guided learning modules that let you explore real-life scenarios you might experience in your club. All membership courses are highlighted in purple.

You can find all these resources and more at rotary.org/membership.

Get Ready for World Polio Day

Rotary clubs all over the world will be raising awareness about polio and our efforts to eradicate the disease during World Polio Day 24 October.

What is your club planning to do?

Download a toolkit that will help you plan an event in your community, and RSVP today to be notified in advance of Rotary's World Polio Day Online Global Update in your region

Paul Harris Society

The Paul Harris Society is a network of over 22,000 dedicated Rotary supporters in 140 countries. Society members express their intent to give at least US\$1,000 each Rotary year to the Annual Fund, PolioPlus, or approved Rotary Foundation grants. Last year, donations from society members made up 16.4 percent of total contributions to the Annual Fund.

[Subscribe](#) to the Paul Harris Society Quarterly Resource to learn more about this vibrant group .

Interested in becoming a Paul Harris Society Member? Contact District Chair Randy Krug randyk48@yahoo.com

Areas of Focus Changes

We've made changes to Rotary's areas of focus. We've kept the existing six areas but adjusted three names (marked with asterisks) to better reflect the types of projects that Rotary members are carrying out. The areas of focus are now:

- Peacebuilding and conflict prevention*
- Disease prevention and treatment
- Water, sanitation, and hygiene*
- Maternal and child health
- Basic education and literacy
- Community economic development*

Some of the goals of the areas have changed, and we've included activities that relate to the environment for most areas. The [Areas of Focus Policy Statements](#) reflect these updates

The Rotary Foundation Thanks You

Once upon a time, Arch Klumph had a dream of Doing Good in the World. The Rotary Foundation was created to make that dream a reality by funding service projects in communities that need our help. Today, donors like you continue to make dreams come true.

Your donation to The Rotary Foundation (TRF) helped us raise more than \$395 million last Rotary year. That means more clean water, less disease, and greater hope for a peaceful world.

Thank you for your continued support of The Rotary Foundation. Your dedication and generosity make success stories around the world possible. Because of you, once upon a time is now. Watch a great video thanking TRF donors.

<https://vimeo.com/351453425/40e568306a>

Editor's Note: This is a great 2 minute video to show at a club meeting or for Paul Harris Fellow Award presentations.

We're #1

10 of the Best Charities Everyone's Heard Of

These 10 charities work throughout the country and the world. They are large, complex organizations with budgets exceeding \$100 million, and at least \$65 million in net assets. They became household names in part because of their exceptional financial management, no easy feat considering the scope and size of their operations. Charitable givers should feel confident that these national institutions put their donations to good use.

Rank	Charity	Overall Score
1	The Rotary Foundation of Rotary International	100.00
2	Matthew 25: Ministries	100.00
3	Direct Relief	98.23
4	Cystic Fibrosis Foundation	98.21
5	Americares	97.87
6	The Carter Center	97.87
7	Catholic Medical Mission Board	97.87
8	HealthWell Foundation	97.17
9	Conservation International	96.90
10	Patient Advocate Foundation	96.66

- Motivational Speakers
- Great Entertainment
- Thought-provoking Sessions
- Rotary Auction to benefit TRF
- Interactive Dialogue
- Food & Fellowship
- Focus on Interact & Rotaract

Hello — Goodbye

*“Hello, I must be going.
I cannot stay, I came to say I must be going.
I'm glad I came but just the same I must be going.
For my sake you must stay, for if you go away, you'll
spoil this party I am throwing.
I'll stay a week or two, I'll stay the summer through,
but I am telling you, I must be going.”*
- words of Groucho Marx -

DGN Fred
Heismeyer

As we transition to a new year of leadership in District 5680, I cannot help but think of the above Groucho Marx quote. Therefore, while I say good-bye, I say hello. As I assume the new responsibilities of District Governor Nominee and begin planning for the Rotary year 2021-22, I say hello, but I say good-bye to my role as District Trainer. It has been fun,

an honor and a privilege to serve in this capacity for the past several years and get to know not only Rotarians across the D5690 but getting to know Rotarians in D5670, D5710 and across the country.

Over the past several years, we have tried to bring engaging training to our district; training that includes transferable skills, celebration of success, and experiences that are fun and worthy of Rotarians. It was a goal to have Rotarians across the districts to help with training and sharing their expertise with us. We have had several Rotarians serve as webinar facilitators – **THANK YOU!** We have had Rotarians serve as presenters at conferences and other training activities – **THANK YOU!** We have had

many Rotarians from across the state participate in, learn from and bring back vital information to their respective clubs from our trainings – **THANK YOU!** Rotary provides each of us an opportunity to find a role, share our skills with our fellow Rotarians while serving locally and globally. Finally, a very personal **THANK YOU** to all those (too many to mention by name) who have given me the opportunity to be the District Trainer, helped with all we are doing and allowed me to grow as a Rotarian.

As we now move into the new Rotary year, we are pleased to transition the District 5680 Trainer position to Rotarian DeAnn Sullivan. DeAnn is an active Rotarian from the Rotary Club of West Wichita and is a professional trainer. DeAnn will be transitioning into this role throughout the fall and developing training opportunities for all of us in D5680. I'm personally confident that you will enjoy getting to know DeAnn, if you already don't know her. I'm looking forward to a new perspective of how we can continue to bring educational/training opportunities throughout the District, leading to an even more successful commitment to serving others locally and globally.

Finally, as we move into the new Rotary year, our district leadership is exploring new learning programs to bring to the District with the hope you will see these opportunities as a way to experience Rotary beyond your club, bringing ideas back to your club, and meeting fellow Rotarians who can become friends and resources for you personally and professionally. Keep an eye on communications from your District leadership for these new opportunities

Annual Giving—Rotary Foundation Goals NEEDED!

Attention: Club Presidents and Rotary Foundation Chairs

Have you set your Rotary Foundation giving goals in My Rotary yet? If not, please do it today!

If you have a goal it is likely you will achieve it—as I'm sure you all know. Now is the time to set your goal and enter it in Rotary Club Central so we can track district progress towards achieving a record for giving in District 5680!

Go to Rotary Club Central and visit the “Goal Center” to enter not only your Foundation Giving Goal, but you Membership Goal.

If you have questions on how to do this, contact your Assistant Governor or the District Annual Giving Goal Chair, PDG [Geri Appel](#). Thanks!

Club News from around the District

Rotary Club Garden City: Yeimi Lopez Romo spent four weeks studying in Germany with a side trip to Rome, Venice, Florence and the Vatican.

Rotary Club Russell: RC Russell's Rotary Rescue team was dispatched twice during the last week of July. They provided support to a family whose home was destroyed by fire and to the fire fighters working the blaze. A few days later they were called in to support emergency crews at Lake Wilson in the search for the Lindsborg man who drowned while kayaking at the lake. Rotary Rescue provides vital support Russell County first responders.

The club has been doing this project since 2010. The project requires almost no money as the Red Cross supplies us with most of our materials.

"Sometimes it seems like a pain when you have to get up in the middle of the night for a fire, but when you see how grateful the victims are, it makes it all worth it," said PDG Andrea Krauss. We also get a lot of positive press, too.

See <http://www.krsl.com/local-news/11092-russell-home-destroyed-in-fire>

Update 8/15/19— Our Rotary Rescue team was called out to another house fire this past weekend - the third time we have been dispatched in two weeks. As you can see, this program is very important to our community.

Rotary Club Old Town Wichita:

We took a "field trip" to Flight Safety. Jerry Sheehy provided a tour and coached members through simulated flights, including take offs and landings. Most "pilots" made it back safely! Jerry provided the experience as a way of thanks for the club's support of Kansas Central FIRST® LEGO® League through our work with the Kansas Youth Science & Technology Foundation last year and this year.

Rotary Club Washington: We raised about \$1,600 for the Washington Ball Association during the Pee Wee Tournament. Our Washington team won the state championship game, too. We also contributed to Pack 86 and they were very grateful as expressed in a thank you note to the club.

Rotary Club Kinsley:

The Kinsley Rotary Club is now selling \$5.00 tickets and during the **District Conference** as a fund raiser. This beautiful quilt was made by Jeana Padgham, wife of Mike Padgham, our club's secretary treasurer.

Rotary Club West Wichita:

SPECIAL DELIVERY - Using West Wichita Charitable Foundation funds, Rotarians delivered gift cards to all the teachers at Benton and Lawrence Elementary totaling \$2,500. Lots of smiles for lots of extra school supplies.

We also donated \$1,000 to help buy materials needed, meals, helping hands and tutoring to help parents learn to help their students to improve learning skills to Ortiz Elementary School.

Another \$1,500 was donated to the Multicultural English Learning Center to be used to help provide meals, curriculum, classroom supplies, gas for van expense and staff salaries.

Rotary Club Pratt: We enjoyed hearing from PDG and now US Congressman Roger Marshall this month. Dr. Marshall shared updates from Washington and personal testimonials about his very rewarding year serving as Rotary District Governor.

Rotary Club Washington: We were honored to host DG Kurt Harper and AG Dana Brewer recently. DG Kurt presented theme and district banners to Ryan Kern, club president.

UPCOMING EVENTS

Rotary Club E Wichita: We will be volunteering at the Hygiene Pantry in September. Our members love this fun, very rewarding service project.

2021-22 RI President Selected

Shekhar Mehta, of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, is the selection of the Nominating Committee for President of Rotary to serve as president of Rotary International for 2021-22. He will be declared the president-nominee on October 1 if no challenging candidates have been suggested.

Polio Update @ 8/22/19

This year: Total wild polio cases for 2019: **66**

Last year: Total wild polio cases in 2018: **33**

AFGHANISTAN: The total number of officially reported WPV1 cases in Afghanistan in 2019 is 13.

PAKISTAN: The total number of officially reported WPV1 cases in Pakistan in 2019 is 53.

NIGERIA and THE LAKE CHAD BASIN:

No new cases of wild poliovirus type 1 (WPV1) since 21 August 2016.

More details at <http://www.polioeradication.org>

Sunrise RC Playscape Ribbon Cutting

Rotary Club W Sedgwick Co Sunrise: MARK YOUR CALENDAR to attend the ribbon cutting ceremony to celebrate the new areas we've made to the Sunrise Boundless Playscape in Sedgwick County Park.

Thursday, September 19 at 11:00 a.m.

We have arranged for a food truck to be present for anyone who wants to purchase lunch following the ceremony.

What's new? Three major areas of the Playscape now have new play equipment:

1. **A wheelchair accessible maze** through the generous gifts from Goebel Star Lumber Family Foundation, Kansas Children's Foundation (formerly Wesley Children's Foundation), Cox Charities, and JR Custom Metal.
2. **Sound Play Garden** through the generosity of Envision.
3. **A new children's area** replacing the sand play through the generosity of the Lattner Family Foundation, West Wichita Rotary Club, Fidelity Bank, and Sedgwick County.

What is the Sunrise Boundless Playscape?

An inclusive playground so everyone can play regardless of physical mobility. The Sunrise Boundless Playscape exceeds ADA requirements. Ramps and wheelchair friendly surfaces welcome wheelchair users.

A \$3.75 million dollar gift to Sedgwick County from the West Sedgwick County Sunrise Rotary Club in celebration of Rotary's centennial. Phase I of the Playscape was dedicated in 2008.

A 1.5 acre outdoor play area nestled in the middle of Sedgwick County Park with age appropriate equipment for toddlers to elementary age children. There are separate swing bays for babies and toddlers, elementary age children, high back swings for children with spinal challenges, and the Sway Fun glider for those who use wheelchairs. There are climbing structures, slides, spinners and sound play equipment.

A private-public partnership. While a community-driven fundraising campaign has provided much of the funding for the playscape, Sedgwick County has also made significant contributions including the playscape's day-to-day maintenance. The West Sedgwick County Sunrise Rotary Club provides a boost to maintenance twice a year with clean-up days.

Why Get Involved with ShelterBox?

By Bill Tobin, Rotary Relations Manager, ShelterBox, USA

“When I became a volunteer Ambassador for ShelterBox USA in 2010, I expanded my circle of friends through the Rotarians I met at other clubs while sharing the ShelterBox story and getting to know my fellow ShelterBox volunteers from around the country.

Through sharing with other clubs, my club also benefitted with new ideas and connections both for ShelterBox as well as other projects our club is involved with. Simply put, volunteering for ShelterBox has been a rewarding and enriching Rotary experience for me and my club.”

District 5680 is still looking for someone to take the helm as ShelterBox Chair, relieving long-time PDG Marshall Stanton (Salina) as chair.

The link to sign up as an Ambassador is www.shelterboxusa.org/ambassador

When you sign up, ShelterBox’s volunteer manager will have you up to speed in no time. Marshall has gear in hand so any new volunteers could work with him as well and then take possession of the “Box” and start sharing their ShelterBox story.

Get involved today!

See pages 11-12 for more information on how ShelterBox can help your club invigorate its membership.

ShelterBox Delivering Aid in Flood Ravaged Paraguay

ShelterBox is helping 3,000 families displaced by flooding with the tools and training they need to rebuild their lives. Our partners; Rotary Club of Asuncion (D4845), Habitat for Humanity, Red Cross and local government officials helped to assess the need for shelter and begin the response process.

Families are being provided trained on the use of ShelterKits, mosquito nets, solar lights, thermal blankets and cotton blankets to assist through the cold season in their

emergency shelters while they wait for the river to recede so they can return home. Each ShelterKits contains: Tarpaulin (2), Hoe (1), Shovel (1), Hammer (1), Nails (1 Bag), Rope (1), Tie Wire (1), Bag (1).

The total cost to support 3,000 displaced families (12,000 children, women, and men) is \$760,100. Help fund this response:

https://www.shelterboxusa.org/wpcontent/uploads/2019/08/Paraguay_Proposal_Rotary_lowres.pdf

ShelterBox Briefing on Syria—September 5

Since 2011, 13.1 million people have been forced to flee their homes as a result of the Syrian civil war.

This conflict has resulted in hundreds of thousands of deaths and has left millions in need of emergency assistance in order to simply survive. Syria is one of the most dangerous and complex locations to implement humanitarian projects in the world. Because of the unpredictability of working in conflict zones, ShelterBox has developed a series of flexible response plans to meet the needs of Syria’s most vulnerable families.

Please join ShelterBox USA President, Kerri Murray, for an inside look at ShelterBox plans to scale up our opera-

tions in Syria.

All Rotarians are invited to participate in this exclusive live operational briefing (45 minutes with time for Q&A)

Thursday, September 5th at 5 p.m. CDT

Follow this link to register <https://attendee.gotowebinar.com/rt/3724846728475768588>

The end of the war in Syria is unknown, ShelterBox remains committed to empowering families with the knowledge, skills, and tools they need to continue in these adverse conditions. For more on our Syria relief effort visit www.ShelterBoxUSA.org/Syria

Invite This Speaker to Your Club

Editor's note: The RC Wichita recently heard from a Kansas City-area Rotarian who is working with the U.S. Census Bureau as the 2020 Census nears. He delivered a very interesting, important and timely program. If you think you know everything you need to know about the 2020 Census, trust me, you don't! You should invite him to speak to your club soon.

Steve Hale is available to speak to your Rotary Club—and it's a program every Rotarian and Kansas should hear. He has already spoken to several clubs in Kansas and would welcome the opportunity to speak at your club.

Here is his contact information:

Steven Hale, Partnership Specialist
 Dallas Regional Census Center
 U. S. Department of Commerce
 U.S. Census Bureau
 Washington, DC 20233
 Cell 913-603-8596
steven.c.hale@2020census.gov

Bio information about the speaker:

Steve Hale joined the Census Bureau earlier this year as a Partnership Specialist. His primary responsibility with the Kansas 2020 Census team is the southern half of Kansas and parts of Johnson County.

Steve's hometown is St. Francis in the extreme northwest corner of the state and where his father was publisher of the St. Francis Herald and the Bird City Times. He graduated with a Journalism degree from K-State and then embarked on a 20-year stint as a reporter, editor and publisher for newspapers in Kansas and Missouri. His career then turned to public relations, marketing and economic development.

Steve is a Rotarian of 35 years and is past president of the Overland Park and Gardner clubs. He is a past school board member and city councilman and remains engaged in chamber of commerce and service club activities.

He and his wife, Sharyl, have lived in Gardner for nearly 40 years. They have two grown sons and two grandsons. He's a fan of NASCAR and K-State and strives to get in an occasional round of golf.

Strengthen your club through ShelterBox USA

Looking for a new way to invigorate your membership?

You may want to consider participating with ShelterBox, Rotary's project partner in disaster relief. ShelterBox aligns with Rotary's Avenues of Service and can increase your club's viability, public image and membership.

CLUB SERVICE – Volunteer opportunities with ShelterBox USA lead to a stronger club through an increased global network with other active Rotarians who support ShelterBox. These connections can open new channels of partnering between clubs near and far.

VOCATIONAL SERVICE– Rooted in Rotary, ShelterBox emphasises the importance of integrity, ethics and trust. In over 90% of natural disaster responses, Rotarians provide ShelterBox with expert help at both sides of a disaster response.

COMMUNITY SERVICE – Through promoting ShelterBox USA in your community, you also raise awareness of the importance of being prepared for a disaster.

INTERNATIONAL SERVICE – ShelterBox is essentially an ongoing sustainable international project. Rotarians, Rotary Clubs and Rotary districts who help fund the project are actively engaged in International Service

YOUTH SERVICE – ShelterBox USA has programs geared for Rotary Youth Service which teach global awareness, humanities, ethics, empathy, service, and peace. We have structured curriculum for RYLA and RYE programs.

Incorporating ShelterBox into your club avenues of service can help build a better club and build a stronger partnership. At ShelterBox USA, we are impatient to create a world where no family is without shelter when disaster strikes. Together, we are making an impact and you are a critical part of our movement.

SHELTERBOX USA IS A 501(C)(3) NONPROFIT ORGANIZATION IN THE UNITED STATES AND REGISTERED IN THE STATE OF FLORIDA. EIN 20-0471604.
