Monday Morning District 5680 PETS e-Mail #7

ENGAGEMENT

One simple word leading to remarkable results

Good Monday morning to all 2021-22 President-Elects in Rotary District 5680,

Our planning team hopes you are as excited as we are to finally gather as Rotarian leaders and prepare for your year as President of your Club. Last week we asked you to review your club's projects and suggested the following actions steps.

1. Read "**Your Projects**" in your **Lead Your Club: President 2019-22** manual
2. Review **Appendix 8: Rotary Service Options** in your **Lead Your Club**.
3. Review all your Club's proposed Service Projects to see if they fall within Rotary's **Areas of Focus Policy - Rotary's Six Areas of Focus**.
4. Ask your International Committee chair and other interested members to explore opportunities for an international service project.
5. Ensure your designated Service Project Committee Chair or Chairs have access to the **Lead Your Club: Service Projects Committee** manual.

Remember that Club Service Projects are often seen as the life blood of Rotary. It is through the hands-on participation in Rotary projects that members become and remain engaged.

Engaged members stay in Rotary!

During these final days before our weekend PETS sessions, please do the following:

1. Review **Engaging Members**, page 40 in the **Lead Your Club: President Manual**.
2. Ask your Club's Membership Chair and/or Committee to review your Club's Membership Plan. It would be great to get their input before our next PETS sessions.
3. Ask your Membership Chair/Committee if they have recently assessed the current state of your Club and if there are issues with membership recruitment or retention to identify them.
4. Ask your Membership Chair/Committee to begin to develop their 2021-22 plans to recruit, induct, and ensure ongoing participation and engagement of Rotarians.
5. Encourage the Membership Chair/Committee to view the Webinars on Demand on the Rotary International website and view the webinar on "*How to Recruit New Members and Strengthen Your Club*".
6. **Plan to get all your questions answered at PETS.** If you have not found the answers in Rotary International materials or by asking questions of your current President or someone on our District Leadership Team, **bring the questions along to PETS.** Every effort will be made to provide an answer for your questions. We have a talented team of Rotary resources ranging from the club level all the way to the RI organizational level. **USE YOUR RESOURCES!**

Finally, **encourage your officers, board members, and committee chairs to continue thinking about their Goals and Action Plans for 2021-22.** After PETS, your team will want to be working on your Club's goals so that by the time you team takes leadership on July 1 you will be ready to complete those goals and put actions steps to each. **Please make sure that your club leadership team engages in the goal setting process.**

We continue to remind you – you are not alone in this adventure.

You have many resources within District 5680 including DGE Fred Heismeyer, DGN Ivanhoe Love, your assistant governors, and the entire district leadership team.

We look forward to working with you at PETS and throughout your term as president of your club.

In Rotary Service to our Community and the World,

*Fred Heismeyer
