

## Spending Plan

### 2018-19 maximum district grant amount

31,591 USD

### Spending plan activities

#	District or club	Activity or project type	Brief description	Location	Total amount (USD)
1	Arkansas City	Education: literacy	<p>There is a critical need for resources in our elementary school libraries for prekindergarten and kindergarten levels. It is well documented that two to five year olds have tremendous benefits from these early childhood programs. When we discussed with the school superintendent the needs of our schools, at the very top of the list was resources in our libraries for prekindergarten and kindergarten children. Rotarians will deliver the resources to the schools and Rotarians will go in teams of 3-4 to put Rotary stickers in the books and read to the students. We plan to continue to lead visits to these classes to read to the students. Over the summer, more details will be worked out by the time the students return for the school year.</p>	United States	2,000
2	Boise City	Community development:	The Boise City Municipal Swimming Pool project has been	United States	2,142

		construction/renovation	under renovation for over a year now. All of the concrete and fence was removed during this process. Once the new concrete is installed, we will need to replace the fence that meets the new standards for the facility. Rotarians will install the new fence. Rotary signage will be on plaque at the pool		
3	Boise City	Community development: construction/renovation	The Boise City Municipal Swimming Pool project has been under renovation for over a year now. Part of the renovation was the installation of a splash pad. Due to budget issues we only added for water features with the hope of adding additional feature particularly for our younger patrons. This would be one of those features for children to use, develop motor and social skills and have an enjoyable day at the pool. Rotarians will install the new water feature.	United States	1,334
4	Boise City	Community development: construction/renovation	The Boise City Municipal Swimming Pool project has been under renovation for over a year now. A part of the renovation was a Baby Pool. The baby pool required a gradual slope entry to meet ADA requirements. The baby pool was replaced by a splash pad. Many of the splash pad patrons will be younger children and these benches will provide an area for parents to sit and observe their children. Rotarians will install the benches around the splash pad.	United States	1,120
5	Derby	Health: general	USD 260 has a continuous need for food services for children who fall outside of the free and	United States	2,142

reduced meal programs. A large percentage of “working poor” which puts children at risk of not attaining nutritious meals. Parents having to make choices “gas to get to work” or a hot meal, food or rent, etc.” Hunger has a physical and psychological effects on young people that makes learning substantially difficult. They cannot concentrate, focus and or communicate appropriately. There social stigma associated with denial of a meal impacts their self-esteem and social acceptance. The Rotary Meal Program will pay for a meal when a student’s lunch balance is zero and all other avenues have been met. There is no sign-up, no qualifications, other than a z The Rotary Meal Program will pay for a meal when a student’s lunch balance is zero and all other avenues have been met. There is no sign-up, no qualifications, other than a zero balance.

6	East Wichita	Community development: general	The East Wichita Rotary Club will be purchasing benches to improve a public golf course project. The benches will be used by parents, grandparents and other members of the community. Primary role of the benches is to provide a place for conversation regarding amongst each other. Social skills are becoming less and less with texting taking the place of actually speaking to one another. The benches are very durable, will last for many years, and an excellent addition to the golf course. Signage will be on the benches. Rotarians will assist in	United States	2,000
---	-----------------	-----------------------------------	---	------------------	-------

			identifying the optimal bench locations and will help with the installation.		
7	Garden City	Health: general	<p>Description:</p> <p>This project will improve fencing for horses used by Miles of Smiles (MOS). Since 1997 MOS has provided therapeutic horsemanship to individuals with disabilities. The fencing will replace a deteriorating fence and provide a safer environment for the horses.</p> <p>Rotarians will provide labor to assist in installing the fence.</p>	United States	2,142
8	Garden City	Education: volunteer services	<p>Proceeds will be used to purchase sports equipment for the Real Men Real Leaders, After School and Summer Wellness Programs. Real Men Real Leaders provide mentoring to 5th and 6th grade boys through time spent with positive role models of the Garden City community. A Rotary signage will be hung on the fence.</p> <p>Rotarians will spend time with the youth sharing their life experiences and giving encouragement towards a brighter future and playing and having a fun summer.</p>	United States	976
9	Guymon	Education: scholarship	<p>Guymon Rotary Club has a reading and education as two high priority community service goals. Guymon has a high immigrant percentage who are traditionally from countries where education is difficult to achieve. Students in high school from immigrant's family it is important that we help them to understand the importance of an education. The club each month recognizes a male and female student in partnership with Guymon High School, and the</p>	United States	2,000

students receive \$125 scholarship to the school of higher education of their choice. The recipients attends a Rotary meeting with their parents, and speaks to Rotarians about their future plans. Rotarians spend time with the parents also. They could become Rotarians of the future.

10	Hutchinson	Education: volunteer services	<p>Born Learning Trails” program will be installing 20 interactive signs. The interactive signs will assist our community with encouraging families to get outdoors and utilize the trail system in a unique way. The signs offer fun, active learning activities for young children and their families. The signs provide the opportunity for parents, caregivers and communities to engage when out for a walk on the trails. Rotary signage will be on the signs.</p> <p>Club members will install the 20 signs during a scheduled project day. Club members will also host a “ribbon cutting” that will include local youth organizations.</p>	United States	2,142
11	Kinsley	Education: general	<p>LabQuest and Spectro Vis Plus lab equipment we for the Junior and High School lab. The LabQuest will allow students to collect data in real time and analyze graphs. Due to budget cuts in education and being in a small community, this equipment will be an asset to the school lab.</p> <p>Club members will hold a fundraiser in June, will solicit monetary support from other civic organization in the community for their support. Rotary signage will be in the</p>	United States	2,000

room.

12	Liberal	Community development: volunteer services	<p>This project assists females in the community who are in shelters, victims of abuse, returning from the judicial system, single parents, or reaching out from poverty to prepare for job interviews and success at work. The Future Business Leaders of America – Phi Bet Lambda student organization at Seward County Community College has operated “eBoutique” and job skills services as a community service project. eBoutique provides clothing and accessories from a very small space in a dorm. Will be relocating in the industrial technology building, which will also have an adjacent computer lab.</p> <p>Rotarians will assist with preparing the new space for eBoutique and resume/interview skills services. Members will also assist with moving the existing clothing and accessories from storage. If there are additional clothing or accessory items needed, club members will utilize their contacts in the community to locate the needed items. Signage will be in the room and social media.</p>	United States	2,000
13	Old Town Wichita	Education: general	<p>FIRST LEGO is well established both internationally and in Kansas. Kansas Youth Science &amp; Technology (KYST) is starting a Kansas Center FIRST LEGO League this upcoming season with a Tournament being held in December of 2018. The initial impact will be focused on 4th-8th grade students in Central Kansas Region. The</p>	United States	2,000

focus of the FIRST LEGO League teams, guided by two or more adult coaches, is to research a real-world problem such as water usage, recycling, energy, etc., and challenged to develop a solution. They also design, build and program a robot using LEGO MINDSTORMS, they compete on a table-top playing field. Youth learn problem solving skills, gain self-confidence and become civic leaders, encourage leadership, promote learning in the fields of Science, Technology, Engineering, and Math (STEM). Club members and KYST will partner in purchasing materials, constructing tournament tables. Tables will include the RI and Old Town Rotary logo's displayed. Tables will be used for many years. Club will sponsor drinks and snacks for the judges and volunteers. A banner will be created to form signage during the tournament day.

14	Pratt	Health: disease	Pratt, Kansas entertains hundreds of athletes during the course of a year. The Green Spots Complex events are attended by a broad age group. Softball, baseball, soccer to name a few. This location does not have a Zoll Automated External Defibrillator (AED) available on site in case of a cardiac emergency to provide assistance. Zoll AED is a portable device (also used by Pratt County EMS), checks heart rhythm and can send an electric shock to the heart to try to restore a normal rhythm. An	United States	1,142
----	-------	-----------------	---	---------------	-------

AED can save lives.  
 Club members will work with the Pratt Health Foundation to purchase the equipment, install signage and learn how to use the AED equipment. The club will publicize the acquisition and promote the importance of providing this service.

15	Pratt	Health: disease	<p>Pratt, Kansas entertains hundreds of people during the course of a year. Many activities are hosted in the Pratt Municipal Building. This facility hosts public events, conferences and athletic events for the young and old. This location does not have a Zoll Automated External Defibrillator (AED) available on site in case of a cardiac emergency to provide assistance. Zoll AED is a portable device (also used by Pratt County EMS), checks heart rhythm and can send an electric shock to the heart to try to restore a normal rhythm. An AED can save lives. Club members will work with the Pratt Health Foundation to purchase the equipment, install signage and learn how to use the AED equipment. The club will publicize the acquisition and promote the importance of providing this service.</p>	United States	1,142
16	Sublette	<p>Community development: construction/renovation</p>	<p>This American Legion Hall is used for community events. There's C of C Fall Festival, Wedding receptions, Graduation Parties, Hunters breakfast, Commodities distribution by Rotarians, Legion &amp; Auxiliary meetings. The building has not been taken care of properly over the years. The Legion Hall is a bit of history to the community.</p>	United States	2,142

			<p>We have veterans in our community that have served in the wars and this is their place to stay connected with their “brothers”.</p> <p>Rotarians will paint the walls and the ceilings in the hall, and will lay the flooring in the kitchen. Rotary signage will be inside the building and social media will cover the progress.</p>		
17	West Sedgwick County-Sunrise	Community development: general	<p>Drinking fountain in Playscape at Sedgwick County Park. Playscape in Sedgwick County Park is a handicapped accessible playground originated by our club. The drinking fountain will provide refreshments and hydration for the children and families who utilize the attraction. The Rotary signage is at the entrance to the park. This is an ongoing process.</p> <p>Rotarians have overseen fundraising, design and on-going maintenance for the Playscape project.</p>	United States	1,667
18	Winfield	Community development: volunteer services	<p>This project will contribute greatly to the aesthetic value of our club’s centennial project, a community performance venue in Winfield’s most trafficked municipal park—by allowing a space for planting grasses and flowers that will enhance the beauty of the park. The 7 cast stone planters will be placed in front the stage platform and will not only interject color, but will also provide a visual barrier indicating the end of the performance platform—improving safety.</p> <p>The goal of our centennial project is to create a community living room – where neighbors can share cultural experiences.</p>	United States	1,500

Planters filled with bright flowers and ornamental grasses will make the performance venue more inviting and improve pride in the space. Rotarians will place and fill the planters-- selecting plants and maintaining the planters throughout the various seasons. Regular watering and care for landscaping adjacent to the Island Park Performance Venue will be performed by the Parks Department of Winfield, this was agreed upon during the planning process for the performance venue-- as all other landscaping in the confines of the park. Similar to the Peace Garden in Island Park that is periodically manicured by the Gardenias Club, Winfield Rotary Club members will attend to planting and any manicuring that is required of the plants selected to fill the planters.

### District leader authorization

#### District Grant Agreement

This District Grant Agreement (Agreement) is entered into by The Rotary Foundation of Rotary International (TRF) and the District. In consideration of receiving this Rotary Foundation District Grant (Grant) from TRF, the District agrees that:

1. All information contained in this application is, to the best of our knowledge, true and accurate.
2. We have read the Terms and Conditions for Rotary Foundation District Grants and Global Grants (Terms and Conditions) and will adhere to all policies therein.

3. The District shall defend, indemnify, and hold harmless Rotary International (RI) and TRF, including their respective directors, trustees, officers, committee members, employees, agents, associate foundations and representatives (collectively Rotary), from and against all claims, including but not limited to claims of subrogation, demands, actions, damages, losses, costs, liabilities, expenses (including reasonable attorney's fees and other legal expenses), awards, judgments, and fines asserted against or recovered from Rotary arising out of any act, conduct, omission, negligence, misconduct, or unlawful act (or act contrary to any applicable governmental order or regulation) resulting directly or indirectly from the activities undertaken in this Grant.
4. The failure of the parties to comply with the terms of this Agreement due to an act of God, strike, government regulation, war, fire, riot, civil unrest, hurricane, earthquake, or other natural disasters, acts of public enemies, curtailment of transportation facilities, political upheavals, civil disorders, outbreak of infectious disease or illness, acts of terrorism, or any similar cause beyond the control of the parties shall not be deemed a breach of this Agreement. In such an event, the Agreement shall be deemed terminated and the District shall refund to TRF all unexpended Grant funds within 30 days of termination.
5. TRF's entire responsibility is expressly limited to payment of the total financing amount. TRF does not assume any further responsibility in connection with this Grant.
6. TRF reserves the right to cancel the Grant and/or this Agreement without notice upon the failure of the District to abide by the terms set forth in this Agreement and the Terms and Conditions. Upon cancellation, TRF shall be entitled to a refund from the District of any Grant funds, including any interest earned, that have not been expended.
7. The laws of the State of Illinois, USA, without reference to its conflicts of laws principles, shall govern all matters arising out of or relating to this Agreement, including, without limitation, its interpretation, construction, performance, and enforcement.
8. Any legal action brought by either party against the other party arising out of or relating to this Agreement must be brought in either, the Circuit Court of Cook County, State of Illinois, USA or the Federal District Court for the Northern District of Illinois, USA. Each party consents to the exclusive jurisdiction of these courts, and their respective appellate courts for the purpose of such actions. Nothing herein prohibits a party that obtains a judgment in either of the designated courts from enforcing the judgment in any other court. Notwithstanding the foregoing, TRF may also bring legal action against the District and/or individuals traveling on Grant funds in any court with jurisdiction over them.
9. This Agreement binds and benefits the parties and their respective administrators, legal representatives, and permitted successors and assigns.
10. If any provision of this Agreement is determined to be illegal, invalid or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect.
11. The District may not assign any of its rights under this Agreement except with the prior written consent of TRF. The District may not delegate any performance under this Agreement without the prior written consent of TRF. Any purported assignment of the District's rights or delegation of performance without TRF's prior written consent is void.
12. TRF may assign some or all of its rights under this Agreement to an associate foundation of TRF. TRF may delegate any performance under this Agreement to an associate foundation. Any other purported assignment of TRF's rights or delegation of performance without the District's prior written consent is void.
13. The District will comply with all economic and trade sanctions, including those implemented by the Office of Foreign Assets Control (OFAC) of the United States Department of Treasury, and will ensure that the District does not support or promote violence, terrorist activity or related training, or money laundering.
14. This Agreement constitutes the final agreement between the parties. No amendment or waiver of any provision of this Agreement shall be effective unless it is in the form of a writing signed by the parties.
15. Rotary may use information contained in this application and subsequent reports for promotional

purposes, such as in The Rotarian, in Rotary Leader, on rotary.org, and on social media. For any and all photographs submitted with any application or follow-up report, the District hereby grants to Rotary an unlimited, perpetual, worldwide right and license to use, modify, adapt, publish, and distribute the photograph(s) in any media now known or hereafter devised, including but not limited to, in Rotary publications, advertisements, and Websites and on social media channels. The District represents and warrants that a) each adult appearing in the photograph(s) has given her/his/their unrestricted written consent to the District to photograph them and to use and license their likeness, including licensing the photograph(s) to third parties, b) the parent or guardian of each child under age 18 or each person who lacks legal capacity appearing in the photograph(s) has given unrestricted written consent to the District to photograph the child or individual and to use and license their likenesses, including licensing the photograph(s) to third parties, and c) it is the copyright owner of the photograph(s) or that the copyright owner of the photograph(s) has given the District the right to license or sublicense the photograph(s) to Rotary.

16. Privacy is important to Rotary and any personal data your District shares with Rotary will only be used for official Rotary business. The District should minimize the personal data of Grant beneficiaries that it shares with TRF to only personal data that TRF specifically requests. Personal data you share will be used to enable your District’s participation in this Grant process, to facilitate your District’s Grant experience and for reporting purposes. Personal data you provide when applying for a Grant may be transferred to Rotary service providers (for example, affiliated entities) to assist Rotary in planning Grant-related activities. By applying for a grant, your District may receive information about the Grant and supplementary services via email. For further information about how Rotary uses personal data, please contact [rotarysupportcenter@rotary.org](mailto:rotarysupportcenter@rotary.org). Personal data collected on this form is subject to [Rotary’s Privacy Policy](#).

17. The District agrees to share information on best practices when asked, and Rotary may provide their contact information to other Rotarians who may wish advice on implementing similar activities.

18. The District will ensure that all individuals traveling on Grant funds have been informed of the travel policies stated in the Terms and Conditions and have been made aware that they are responsible for obtaining travel insurance.
